

LGPS CARDINAL CONNECTION

Sunday, November 10, 2024

Principal Message

Dear Cardinal Families,

On **Monday**, we invite everyone to wear red, white, and blue as we honor our veterans. Students will wave flags and cheer as veterans depart the afternoon program at LGES—a wonderful way for them to show appreciation. This week, we also have our **PTA Meeting on Monday at 6:00 PM** in the LGPS Library or online. **Thursday** brings Interim Reports, so please check your child's folder. And don't forget, **Picture Retake Day** is now set for **Monday, November 18**.

Thank you for your continued support. Let's make it a fantastic week!

Warmly,
Mr. Finger

Home Resources

Learning begins and ends with our children's first and most important teacher; their family. We are so pleased to partner with you in your child learning and development.

Reading

Sound Out Words Together

When reading with your child, pause on simple words and encourage them to sound out each letter. For example, "c-a-t" becomes "cat." This practice helps build confidence in blending letter sounds and boosts early reading skills!

Math

Count & Compare

While at home, pick two groups of items—like apples and bananas or toy cars and blocks—and ask your child which group has more or less. This simple activity strengthens counting skills and helps them understand the concept of comparing quantities.

Help Your Child Succeed in School: Build the Habit of Good Attendance Early

DID YOU KNOW?

- Starting in preschool and kindergarten, too many absences can cause children to fall behind in school.
- Missing 10%, or about 2 days each month over the course of a school year, can make it harder to learn to read.
- Students can still fall behind if they miss just one or two days every few weeks.
- Being late to school may lead to poor attendance.
- Absences and tardiness can affect the whole classroom if the teacher has to slow down learning to help children catch up.

Attending school regularly helps children feel better about school—and themselves. Start building this habit in preschool so they learn right away that going to school on time, every day is important. Eventually good attendance will be a skill that will help them succeed in high school and college.

WHAT YOU CAN DO

- Set a regular bedtime and morning routine.
- Lay out clothes and pack backpacks the night before.
- Keep your child healthy and make sure your child has the required shots.
- Introduce your children to their teachers and classmates before school starts.
- Develop backup plans for getting to school if something comes up. Call on a family member, a neighbor, or another parent.
- Try to schedule non-urgent related medical appointments and extended trips when school isn't in session.
- If your child seems anxious about going to school, talk to teachers, school counselors and other parents for advice on how to make your child feel comfortable and excited about learning.
- If you are concerned that your child may have a contagious illness, call your school or health care provider for advice.
- If your child must stay home due to illness, ask the teacher for resources and ideas to continue learning at home.

When Do Absences Become a Problem?

Note: These numbers assume a 180-day school year.

Ayude a su niño a tener éxito en la escuela: desarrolle el hábito de la buena asistencia escolar desde los primeros años

¿SABÍA USTED?

- A partir de preescolar y kínder, demasiadas ausencias pueden hacer que los niños se retrasen en la escuela.
- Faltar un 10%, o aproximadamente 2 días al mes durante el transcurso de un año escolar, puede dificultar el aprendizaje de la lectura.
- Los estudiantes aún pueden quedarse atrás si faltan solo uno o dos días cada pocas semanas.
- Llegar tarde a la escuela puede provocar una baja asistencia escolar.
- Las ausencias y tardanzas pueden afectar a toda el aula si el docente tiene que retrasar el aprendizaje para ayudar a los niños a ponerse al día.

Asistir a la escuela con regularidad ayuda a los niños a sentirse mejor con la escuela y con ellos mismos. Comience a desarrollar este hábito en el preescolar para que aprendan de inmediato que es importante ir a la escuela a tiempo, todos los días. Con el tiempo, la buena asistencia escolar será una habilidad que les ayudará a tener éxito en la escuela secundaria y la universidad.

LO QUE PUEDE HACER

- Establezca una rutina regular para la hora de dormir y una rutina matutina.
- Elija y disponga la ropa y empaque las mochilas la noche anterior.
- Mantenga a su niño saludable y asegúrese de que haya recibido las vacunas necesarias.
- Presente a su niño a sus docentes y compañeros de clase antes de que comience la escuela.
- Desarrolle planes de contingencia para llegar a la escuela si surge algo. Llame a un familiar, vecino u otro padre.
- Trate de programar las citas médicas y los viajes largos para cuando no haya clases en la escuela.
- Si su niño parece tener ansiedad por ir a la escuela, hable con los docentes, los consejeros escolares y otros padres para que le aconsejen cómo hacer que su niño se sienta cómodo y emocionado por el aprendizaje.
- Si le preocupa que su hijo pueda tener una enfermedad contagiosa, pida consejo a su escuela o proveedor de atención médica.
- Si su niño debe quedarse en casa debido a una enfermedad, pídale a los docentes recursos didácticos e ideas para seguir aprendiendo en casa.

¿Cuándo se convierten las ausencias en un problema?

Nota: Estos números se basan en un año escolar de 180 días.
