

## HADDON TOWNSHIP BOARD OF EDUCATION

---

### Broadcast

Dear Haddon Township School District Community,

As I share the latest district updates below, I would like you to take a moment to look them over and stay informed on our school district's progress. I also want to take a moment to **recognize and honor all of our community's veterans**. The freedoms we enjoy today are only possible because of the tremendous sacrifices made by these brave individuals. Please join us in expressing our deep gratitude for their service.

#### **Free Online Event - Flyer Attached**

We are excited to invite you to an upcoming **free webinar** on the New Jersey Anti-Bullying Bill of Rights (ABR), hosted **in partnership with NJPSA-Legal One and the Berlin Borough and Haddonfield School Districts**. This virtual presentation offers a unique opportunity to learn about student and parent rights and the processes schools use to address bullying, harassment, intimidation, and conflict resolution.

This informational session is an important part of our commitment to fostering a positive school climate. I would like to encourage you to review the attached flyer for details and join us to understand better how we can work together to ensure a safe, respectful, and supportive environment for all students. Thank you for partnering with us to make our school community a positive place for every student.

#### **Message from HTEF**

For the past seven years, the Haddon Township Education Foundation (HTEF), a 501(c)(3) charitable organization, has raised and awarded over \$152,000 to support our teachers and enhance learning for our students. But there's so much more we can do—and we need your help to make it happen! Today, we're excited to launch our *Week of Giving* fundraiser.

Starting today, Monday, November 11th, and running through Friday, November 15th, our goal is to raise an additional \$10,000 to expand the number of grants we can award in 2025. Every donation, no matter the amount, makes a difference. Please consider contributing to help us create even more enriching opportunities for our students.

To make donating easy, we've set up a dedicated PayPal campaign page where you can track our progress. Just visit: [HTEF Week of Giving Donation Page](#)

This week, we're also hosting a friendly *School vs. School Challenge*! When you donate, look for the "+ Add a public comment to the campaign page" option on PayPal and type in the name of the school you'd like your donation to support. To keep things fair, we'll calculate contributions proportionately based on each school's student population. The school with the highest contribution per capita will earn a \$500 grant to spend on its students!

Thank you for your continued support. Your generosity empowers us to invest in our children's future, and together we can make a lasting impact. To learn more about the Haddon Township Education Foundation, visit our website at [HTEF Website](#).

**Broadway Night**

We warmly invite you to join us for ***Shannon Newell's Broadway Night this Thursday, November 14th***. This event has become a cherished tradition in Haddon Township, celebrating Shannon's memory through many inspiring performances by our talented students. Please consider attending to support our students and share in this special evening. We look forward to seeing you there as we honor Shannon and come together as a community. I've attached the event flyer.

Thank you very much for your continued support and have a great day.

-Sincerely,

Robert J. Fisicaro, Ed. D. Superintendent
