# MATH ACCELERATION

---

- EHDC: Alternative Methods for Earning Credit
  - Provides that students seeking to accelerate in math only may take a criterion-referenced test, beginning in second grade
  - Clarifies the process for parents to request reconsideration when a student does not qualify for acceleration in math only based on the student's performance on the criterion-referenced test

# STUDENT & PARENT COMPLAINTS

---

- FNG

- Adds that formal complaints may be filed online
- Clarifies the reasons for dismissal of improperly filed complaints
- Allows for Level Three review to be considered by written submission or oral presentation
- Adds a process for students & parents to formally complain about the denial of acceleration in math only under Board Policy EHDC
