Job Title	Elementary Korean Language Teacher
Classification	Overseas Direct Hire or Local Direct Hire
Reports To	Elementary Principal
Working Hours	Faculty Hours

Gyeonggi Suwon International School is seeking a compassionate and dedicated Elementary Korean Language Teacher to join our faith-based Christian school community, which also follows the International Baccalaureate Primary Years Program (IB PYP). The Elementary Korean Language Teacher in the Primary Years Programme (PYP) will support students from Preschool to Grade 5, ensuring they develop linguistic skills in Korean and fostering an appreciation for Korean culture within the framework of the IB PYP. The teacher will help them develop essential skills, build confidence, and explore their talents in alignment with our school's faith-based values and the International Baccalaureate framework.

Job Responsibilities Specific

- **Curriculum Development:** Design and implement a comprehensive Korean language curriculum tailored to the PYP framework, ensuring that it aligns with our Christian faith-based principles.
- **Instruction:** Provide engaging and age-appropriate Korean language instruction aligned with the IB PYP standards and the school's Christian values, facilitating students' understanding and fluency in Korean.
- **Cultural Awareness:** Promote understanding and appreciation of Korean culture among students and staff, fostering intercultural respect and awareness within the school community.
- **Faith Integration:** Infuse Christian values and themes into teaching and interactions, reinforcing our faith-based education.
- **Collaboration:** Collaborate with classroom teachers and other IB educators to integrate language instruction into the interdisciplinary units of inquiry within the

PYP program.

- **Assessment:** Assess and evaluate student progress, providing constructive feedback and tracking their language development.
- **Parent and Community Engagement:** Maintain open communication with parents, involving them in their child's language development.
- **Professional Development:** Participate in regular IB PYP training, faculty meetings, and professional development opportunities, ensuring alignment with school policies and teacher best practices.

Other Job Responsibilities Include:

- Participate in faculty meetings, school committees, and collaborative planning sessions.
- Support the school's Christian ethos and values in daily interactions and activities.
- Assist in school events, assemblies, and extracurricular activities as needed.
- Maintain a safe and inclusive classroom environment that fosters creativity, respect, and diversity.
- Perform other duties as assigned by the school administration.

Qualifications:

- Bachelor's degree in Education, Korean Language or a related field (Master's degree preferred).
- Teaching certification or licensure in Korean Language, preferably with experience in elementary education.
- Strong commitment to the Christian faith and values, and an ability to integrate these into the curriculum.
- Familiarity with the International Baccalaureate Primary Years Programme (PYP) or willingness to undergo IB training.
- Strong communication skills in both Korean and English.
- Effective classroom management skills and the ability to engage and inspire young learners.
- Excellent communication and interpersonal skills for collaboration with students, parents, and colleagues.
- Commitment to continuous professional growth and development.

Note: In our faith-based Christian school, candidates should be prepared to integrate Christian values and principles into their work and support the school's mission to nurture the spiritual growth of students.
