Comprehensive Needs Assessment

Demographics

Demographics Summary

The Sanger Sixth Grade Campus is one of seven campuses in the Sanger Independent School District. The Sanger Sixth Grade Campus has 213 students and 25 staff members, including 13 certified teachers. We have two administrators, one counselor, two secretaries, and one nurse. We also have six paraprofessionals who work on our campus.

We are a single-grade campus to which two feeder schools send students.

Current data indicates that 11.8% of our students receive Special Education services and 11.3 % of our students are classified as English Language Learners. The most recent mobility rate is listed as 16.0%.

On our campus, 53% of students are classified as economically disadvantaged.

Demographics Strengths

- Demographically, Sanger Sixth Grade Campus population is relatively stable from year to year.
- Teacher student ratio is currently low at 15:1. This allows for the students to build relationships with their teachers and have their diverse learning needs met.
- The average years of experience of our staff is 12 years, above the state average of 11.1 years

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): Based on current assessment data, students in certain sub-population groups continue to struggle on the STAAR test in ELAR and math. **Root Cause:** Lack of background knowledge, home support and life experiences help to create gaps for students in some categories of the STAAR assessment

Student Achievement

Student Achievement Summary

The accountability rating for the campus has not been released at this time.

Student Achievement Strengths

Overall strong academic performance.

The ability to close gaps between population groups.

Problem Statements Identifying Student Achievement Needs

Problem Statement 1 (Prioritized): Based on current assessment data, students in certain sub-population groups continue to struggle on the STAAR test in ELAR and math. **Root Cause:** Lack of background knowledge, home support and life experiences help to create gaps for students in some categories of the STAAR assessment

Problem Statement 2 (Prioritized): The amount of classroom instruction time for math is limited. **Root Cause:** Due to block scheduling for ELAR, and co-curricular subjects, extended time for math is not available.

School Culture and Climate

School Culture and Climate Summary

At Sanger Sixth Grade we prioritize nurturing and celebrating the growth of every student and staff member. Our commitment lies in fostering leadership skills in all students while creating a safe environment where they feel empowered to take educational risks. Every day, our students and staff strive to be the best versions of themselves, embracing and celebrating our collective growth.

Problem Statements Identifying School Culture and Climate Needs

Problem Statement 1 (Prioritized): Consistent discipline procedures for all students **Root Cause:** utilization of campus PBIS measures is not always followed with fidelity.

Parent and Community Engagement

Parent and Community Engagement Summary

Our goal is to continue to develop a positive partnership with all stakeholders. We strive to provide several opportunities for parents/guardians to access important information, such as academic and social/emotional progress of their child, activities during the school day, evening parent information nights, and extracurricular events on campus.

Problem Statements Identifying Parent and Community Engagement Needs

Problem Statement 1: One grade-level campus reduces the amount of engagement between parents and the school. **Root Cause:** A large percentage of parents are not connected to the school.

Priority Problem Statements
