On-Site Enrichments - Reptile Man: AWESOME! Well received by the students. This event was presented to Brinnon free of charge.

4-H no update

PTO Storage- Liz has been researching our options for PTO storage. One of the options is \$5,000 and meets Trish's requirements of moveable and nice looking. She has decided against looking for containers, most are well worn and would need sprucing up to be presentable. Lisa offered to discuss renting a unit through Johnston's Realty. The preference is to have storage on site for easy access during events. We are looking for an unit that is 10x20. It was suggested we open the need up to the community to see if there are any more options.

Fundraising:

World's Finest Chocolate sales – finally SOLD OUT.

Garage Sale – this will be postponed to this summer. Proceeds will go towards a PTO storage unit.

Marketing:

We are currently using the BSD website, FB updates, Meet the Teacher, Open house (and other school events), Newsletter, Brinnon Crier, The Bugle, flyers around town and email updates to communicate with parents and the community. We are looking for any additional ideas or suggestions.
