Mr. Popper's Penguins  
by Florence Atwater

## WHO?

All  
Unionville Elementary  
students!

## WHAT?

Reading Mr. Popper's Penguins as a part of the "One School One Book Program".

## WHEN?

We will begin reading the book this Monday, November 11th!

## WHY?

Children can listen to far more complex books than they can read independently. Help reinforce reading instruction at home!

*\*Suggestions\**

Ask open-ended questions like:

- Have you ever felt like this character?
- What advice would you give the character?
- Who does this character remind you of?

## WHERE?

Read with, or read to, your student at home each day. We will also read and use additional resources at school.
