

4th Grade e-Learning Plans

Our school can have up to 5 Digital Learning days due to inclement weather or other circumstances. If school is called off, there are 2 possible options.

OPTION 1: We knew about the incoming weather, so teachers sent home devices. If your child came home with their device we anticipated a snow day ahead. Please have your child check into their Google Classroom with all of their teachers to see what assignments are posted for the day. They need to check in & complete ALL WORK FOR ALL CLASSES. We will meet via Google Meets in our Google Classrooms.

GOOGLE MEETS SCHEDULE	Reading/Social	Math/Science
9:00-9:50 am	Miss Gades's Class	Mr. Josephson's Class
10:00-10:50 am	Mr. Josephson's Class	Miss Gades's Class
11:00-12:00pm	Open Google Meets for Questions	Open Google Meets for Questions
1:00-1:30 pm (Read Aloud)	Miss Gades's Class	
1:30-2:30pm	Open Google Meets for Questions	Open Google Meets for Questions

OPTION 2: We didn't anticipate the incoming weather or other matters that caused school to be closed, and your child doesn't have their device at home. Miss Gades and Mr. Josephson have sent home 5 days worth of learning materials marked DAY 1, DAY 2, etc. Students should complete all activities in the packet for Reading/Social and Math/Science as well as items from their Music and Phy Ed packets. All of these assignments can be found in the manila envelope sent home.

If you or your child have questions, teachers will be available from 7:45 a.m. – 3:45 p.m. for questions or comments. You can contact us through our school emails:

kim.gades@minneotaschools.org and jared.josephson@minneotaschools.org.

Have your child bring back and turn in the assignments to school the next school day. You can keep the envelope and other days of work at home for the next flexible learning day.

Thank you for your assistance at home with these assignments.

Sincerely,

Miss Gades and Mr. Josephson
