FLAME TEST LAB in Mr. Madere's Chemistry Classes

SCC juniors learned how to conduct flame tests in chemistry class this week! By burning various salts in methyl alcohol, our future scientists observed flames of multiple colors and learned how fireworks work by the excitation of electrons in atoms such as lithium, calcium, potassium, and copper. This activity not only allowed them to explore the properties of different elements but also reinforced the importance of lab safety when handling chemicals. It was an exciting, hands-on experience for our students!

CONGRATULATIONS,

LYDIA ZERINGUE!

Congratulations to sophomore Lydia Zeringue for reaching the Top 10 in the Membean Haiku Contest! Membean is an online vocabulary platform used by over 40,000 schools across the world. What an honor to be selected to the Top 10! Read Lydia's haiku below:

Crescendo

The quiet flute plays,
The orchestra swells with sound,
Ending with triumph

SENIOR DAY OF REFLECTION

November 6, 2024

On November 6, seniors traveled to Holy Family Catholic Church in Luling to celebrate the Senior Day of Reflection, an annual event during which the 12 grade students pray, reflect, and look forward to their next steps in life. After attending Mass, the students reminisced on their favorite memories of high school so far and enjoyed a lunch together on the grounds. Then the students engaged in meaningful activities and prayers all about beginning the transition from high school to adulthood. It was a lovely day, and we are so grateful to Holy Family parish for their hospitality and prayer.

ACT[®]

BOOT CAMP
November 25-26 @ SCC

We are excited to offer a November ACT Boot Camp to our SCC students in grades 10-12. Highly-experienced and highly-trained SCC teachers will serve as the session leaders. Students will receive instruction during the sessions and materials designed to help them practice and prepare at home. ACT tutors do not guarantee improvement in composite or content-specific scores but seek to address both strategies and skills that should help students progress toward their ACT goals.

The boot camp will offer two 90-minute sessions per day. The schedule for boot camp is as follows:

- November 25: 9am - 12:15pm
- November 26: 9am - 12:15pm

Students can choose to attend one or both days of the boot camp; the cost is \$25 per day or \$50 for both. Payments should be submitted in cash to Mrs. Flynn.

Registration forms and payments are due on November 11th. Register [here](#)! By submitting the registration form, students and parents understand that improvement is not guaranteed. Questions? Please refer to [Carly Flynn](#).
