

Letter of Agreement
Between
YELM COMMUNITY SCHOOLS #2
and the
YELM EDUCATION ASSOCIATION

The Yelm School District ("District") and the Yelm Education Association ("the Association") mutually agree that Article V - Employee Rights and Responsibilities Monetary, Section E Class Coverage Stipend language in the 2024-2027 Collective Bargaining Agreement shall be amended as follows:

Non classroom teaching employees (such as Title/LAP, in-building coaches, athletic directors, etc.), with the exception of substitutes, will be assigned only for the equivalent of one (1) teaching period and will be paid one (1) hour at their per diem rate per day.

For the duration of this contract, counselors will not be included in the class coverage, unless an emergent situation arises and all other eligible certificated employees have been assigned coverage. If counselor staffing meets or exceeds the 23/24 staffing level, both parties will meet to mutually agree on any potential modifications to this Letter of Agreement.
