Zoom Link for Wednesday's Book Club!

Join us virtually this Nov. 13, from 12:00 – 1:00 pm for the third and final Same Boat Book Club! This initiative was designed to bring together parents, faculty, and staff from fellow learning difference schools for a shared exploration of the thought-provoking book *The Anxious Generation: How the Great Rewiring of Childhood Is Causing an Epidemic of Mental Illness* by Jonathan Haidt. This is an opportunity to come together as a larger community to discuss and understand the challenges and opportunities we face in supporting our children.
