Trumbull Board of Education Policy Committee Advisory Members Sought

The Trumbull Board of Education is currently seeking three (3) parents/guardians of Trumbull Public School students and two (2) community members, who must be Trumbull residents, to serve as advisory members of the Board Policy Committee. The Board will appoint parent/guardian and community members to a term beginning in November 2024 and ending in August 2026.

Creation of policy is one of the most critical responsibilities of the Board of Education, and the Board encourages involvement of the community in improving existing policy and proposing new policy. The Trumbull Board of Education Policy Committee meets regularly in the early evening at the Long Hill Administration Building. Additional details about the Policy Committee are available at <https://www.trumbullps.org/board-of-education/policy-committee>.
