

PCPS Happenings

PPS / PES

Friday Fun Day continues where students from PHS athletics and activities come to greet our youngest learners and get them energized to start their day!

The PPS Book Character Parade was an adorable hit as students dressed up as a character from a book and while carrying said book, paraded around the school. Check out the Facebook live feed if you missed it!

PPS had a "LET'S GLOW" party to celebrate all of their classroom and attendance accomplishments for the first quarter. Students got to take a break and dance with glow sticks and blacklight fun.

Both PPS and PES had great turnouts for Parent/Teacher Conferences. If you were unable to meet with your student's teacher, please reach out via email, phone, or ParentSquare.

The VA Living Museum came to PES and shared with 4th graders all about creatures in our area. Much thanks to our PTO for their support in this program!

PES held their annual Veterans Breakfast with students and their beloved Veterans. The event even had performances by the PHS Brass Band and Vocal Ensemble!

Follow us! @poquosonschools

PMS / PHS

8th graders partook in a worthwhile civics project where students were assigned various political candidates to research, present on, campaign for (complete with handmade buttons!), and then vote within class.

8th grade is getting excited for their field trip to Washington D.C. on November 25th to see monuments and memorials.

PMS is proud to announce that they have 23 delegates selected for the District VIII Chorus which will perform at CNU on December 15th.

SCA is up and running at PMS with student officers and homeroom representatives.

Congratulations to the November Golden Bulls of the Month: Madden Forrest (6th), Hailey Rauch (7th), and JJ Bryant (8th)!

New Horizons will be holding their Open Houses for PHS students to check out programs and opportunities. Applications are open so see your counselor or ParentSquare for details.

Congrats to the PHS Band for receiving a Superior Rating in their state assessment!

Athletics Update! PHS Field Hockey was Regional Runner-Up while Volleyball continues on for Regional Finals tomorrow. Football has had a strong regular season and will be hosting the regional quarterfinals on Friday. Cross Country boys are regional champs as well as Competition Cheer! A huge shoutout for Ivey Lucas for player of the year for BRD! We are so proud of all of our athletes!

District

The last week of October was Bus Safety Week and we wanted to take one more opportunity to thank our bus drivers and aides. They continually go above and beyond every day! These staff members are the start and end to our many of our students' days and we are thankful for such an amazing team!

We thank everyone for completing the Federal Impact Aid Survey to help our division procure federal funds. If you have yet to complete the survey, please check within ParentSquare and/or call your student's school. Thank you for your support.

Senior Parents and Students - Don't forget stay up to date with announcements and opportunities through ParentSquare & Canvas.

The Cell Phone-Free Education committee continues to work on adopting policies and procedures to align with the Governor's Executive Order 33. The committee consists of students, parents, staff, and administrators. Find out more information on our website and utilize Let's Talk to share your input!
