For Interscholastic Athletics**

To: All Schools participating in Section VIII Playoffs

This is a reminder that tailgating and the consumption of alcohol is prohibited at all venues including neutral sites such as schools, parks and colleges. Section VIII and School/Park Security will be monitoring this and will ask violators to this policy to leave the premises immediately. Failure to follow this direction will result in the police being called in to handle the situation.

Thank you in advance for your cooperation and thank you for supporting Section VIII Athletics and the Student-Athletes from all Section VIII Schools.

Respectfully,

Patrick Pizzarelli, CAA
Executive Director
