

MLS School District: Celebrating Achievements and Community Spirit

As fall sports season wraps up, the MLS School District is buzzing with excitement and achievement! Our student-athletes have showcased remarkable dedication, with the football team making an impressive run in the playoffs. The girls' volleyball team has demonstrated significant improvement, embodying the spirit of teamwork and persistence. Meanwhile, our younger students in volleyball and basketball are not only learning the fundamentals of the games but also embracing the joy of competition and friendship.

In the classroom, our teachers continue to be successful, providing engaging and enriching experiences for all students. We recently saw a fantastic turnout for Parent-Teacher Conferences, highlighting the strong partnership between educators and families. When parents and teachers work together, we create a supportive network that enhances student learning and well-being. Together we provide a consistent message demonstrating the importance of life-long learning. Open lines of communication are so important in identifying student strengths and areas for improvement. Parents bring valuable insights about their children's interests and needs, while teachers provide expertise on daily educational practices. Together, we can make informed decisions that benefit each student.

As we approach November, we want to remind everyone that there will be no school on Monday November 11th in honor of Veterans Day. We invite the community to participate in the Veterans Day celebration at the school, a heartfelt event that underscores the importance of recognizing and honoring our veterans every day.

Additionally, please note that there will be no school on November 28th and 29th for Thanksgiving break, with an early release at 2:00 p.m. on November 27th.

November is a time for giving thanks, and at MLS, we are especially grateful for our students, families, dedicated teachers, and staff. We appreciate the unwavering support from our community, which plays a vital role in enriching the lives of our children every day.

Let's continue to celebrate our achievements and the spirit of gratitude this month and beyond!
