Student & Parent Instruction Guide

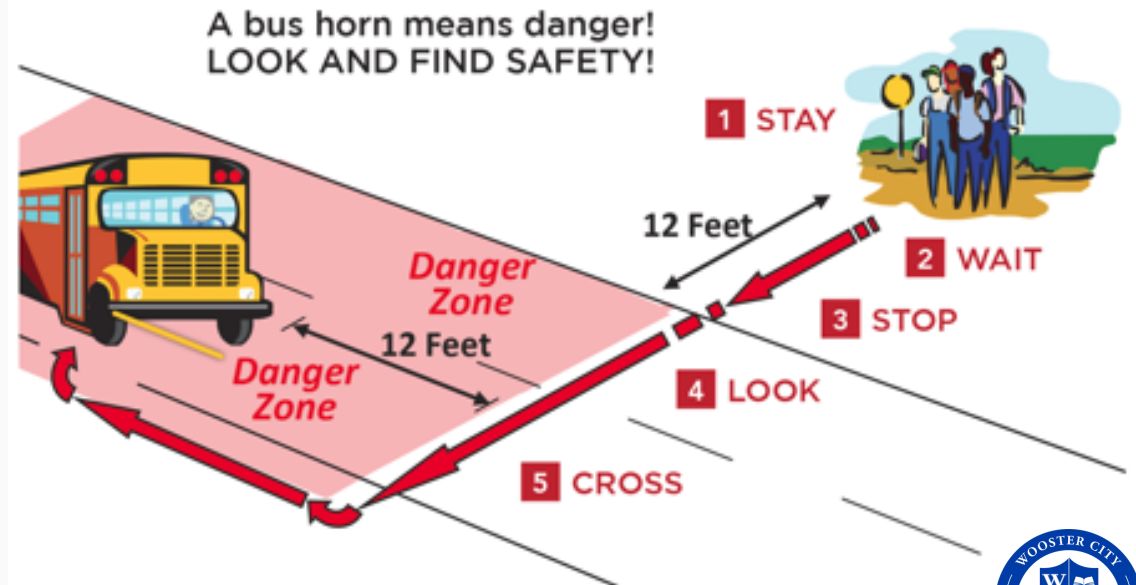

Crossing the Highway is DANGEROUS - Cars May Not Stop!

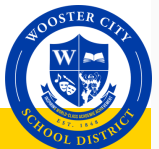

Your life depends on the following:

- You must LOOK BOTH WAYS for moving cars. If a car is moving, do not step into the road.
- PAY ATTENTION! Take ear buds out! Don't talk or text!
- If you hear the HORN, look and find safety!
- PARENTS, even if you are crossing with your child, please follow these same steps.

1	STAY	Stay on your side of the road, 12 feet away from traffic
2	WAIT	Wait for the bus to stop and the stop arm to extend. The driver will be holding their arm up for you to wait for the driver to do traffic checks.
3	STOP	Stop and look for traffic both ways, then check again. When it is OK, the driver will lower their arm and allow you to cross the bus.
4	LOOK	Look for moving traffic both ways as you walk directly across the road.
5	CROSS	Cross 12 feet in front of the bus in full view of your driver. Be careful in the danger zone and board the bus without delay.
