

Emmett High School
Board Report
October 2024

PSAT Testing

On October 24th, all sophomores across the Emmett School District took the PSAT, which is a test that prepares them for the SAT that will be taken their junior year. We do not have the results at this time, but I will share those results once I have them.

Breakfast for Staff

We have a group of tremendously hard working students who prepared breakfast for our staff on the 24th of October. They arrived at the school around 5:30 am and started preparing the meal—which included eggs, pancakes, bacon, and potatoes. The sole aim of this group of students is to serve our students, our staff, and our community. They refer to themselves as the Hillbilly Tailgate Club, and we are thankful to have them at Emmett High School.

Veteran's Day Assembly

Mrs. Yates is once again organizing our Veteran's Day Assembly. We will once again have, as our distinguished guest speaker, a graduate of Emmett High School. Our speaker, Edward Barnowski, will be flying in on a Blackhawk Helicopter, and it will land on our soccer field at 10:30 am. The assembly will begin at 11:00 am and conclude at noon. Edward will depart on the Blackhawk at approximately 12:30 pm. The entire board is cordially invited to our assembly, and we hope you can all make it.

October 28th Professional Development

On October 28th, Emmett High School staff members participated in professional development. I would like to extend a huge thank you to Isa DeArmas for her presentation on teacher clarity. She gave the staff many valuable pieces of information to take back to their classrooms. I would also like to thank Lisa Hargitt and our staff as they did a tremendous amount of work that will assist us in finalizing our accreditation report. Lastly, we had a group of teachers give our staff some very informative training that will help everyone to better meet the needs of our ESL students.

Attendance Update

In October of 2023, our students accumulated a total of 772 tardies. In October of 2024, our students accumulated a total of 195 tardies.

In October of 2023, our average daily attendance rate was 92.72%. In October of 2024, our average daily attendance rate was 94.03%.
