

Shout Outs

Mrs. Aguilar and Mrs. Carrol deserve a gigantic shout out for always filling in for teachers when we have a shortage of substitute teachers. We appreciate their flexibility and positive attitude. Thank you for always putting our students first.

Natasha Palmer, EMS is very grateful for your efforts to reignite our PTO. We truly appreciate you stepping up and bringing parents together to support our students and teachers. We look forward to working with you and the other parents to make EMS greater than before.

LEAP Class Projects

Our new gifted and talented class has been busy. Their first task was to complete projects to put their leadership skills to the test. The assignment... identify situations at EMS that need improvement. Students have been working hard and implementing different projects throughout the school such as lunchtime activities, cyberbullying presentations and PBIS store inventory updates.

PTO

Our first PTO meeting was a success. Parents came together and began having conversations about ways to support our teachers and students. The first activity was a fun competition called Kiss a Pig. Students put change in piggy banks labeled with teachers names who volunteered. The teacher with the most change had to kiss Kiwi, the pig, during lunch. And the winner was... Mrs. Riggs, EMS ELA teacher. She was a good sport who gave the pig a kiss during both lunches. Kiwi, may have even been a bonus kiss from Mrs. Dawson.
