All Grades - October 2024

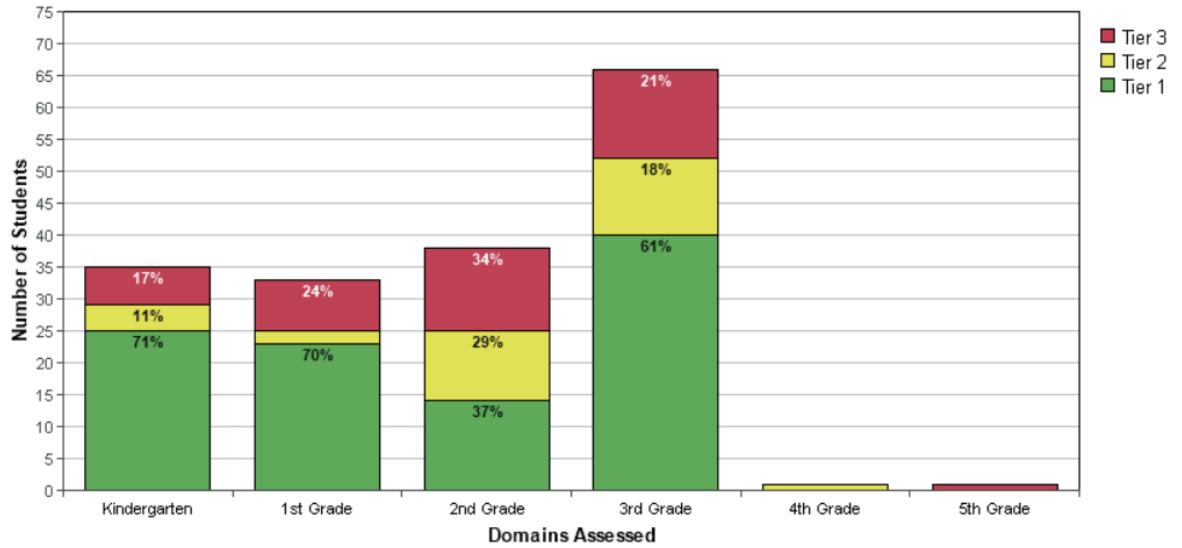

All Grades - November 2024

Noticings: K - 14% more T1, 1st - 7% more T1, 2nd - 12% more T1, 3rd - stayed the same

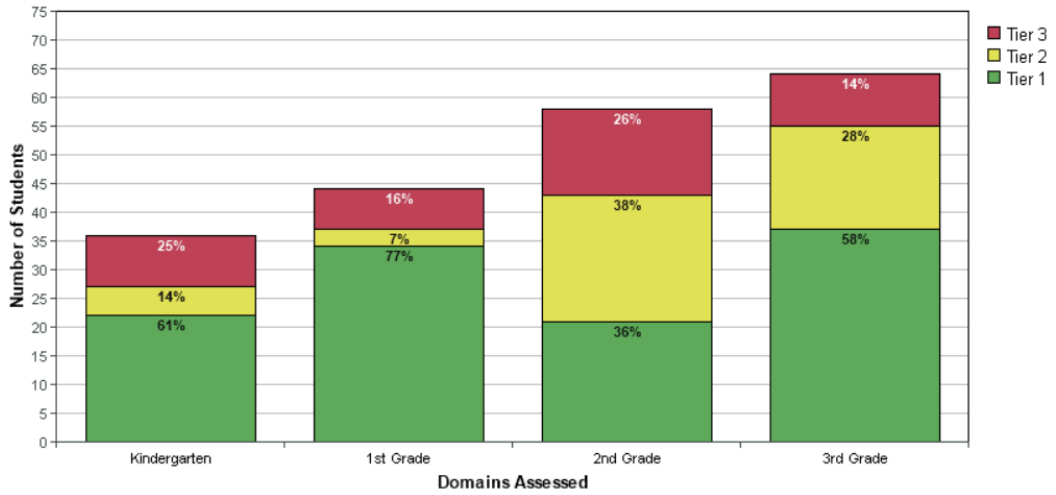

○ **ISIP Math Scores**

All Grades - September 2024

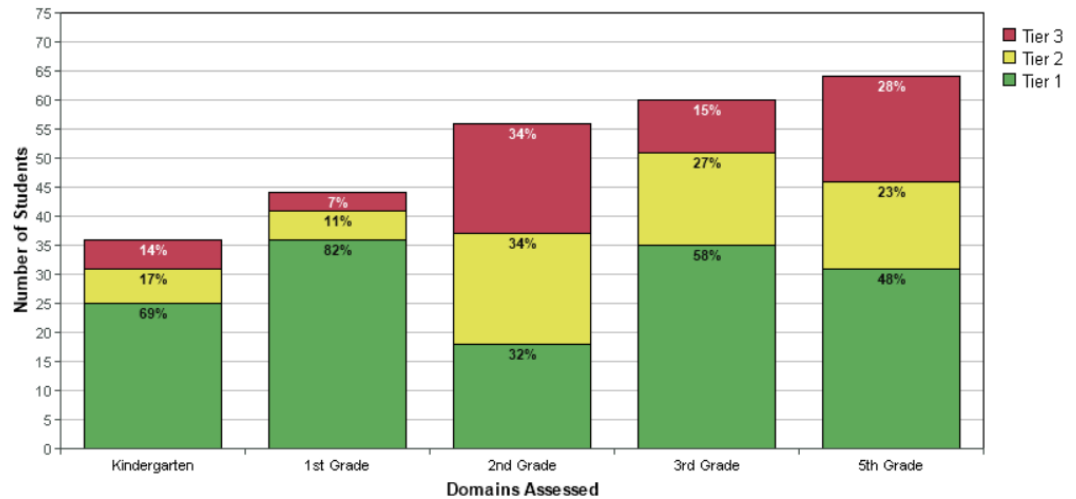

○

All Grades - October 2024

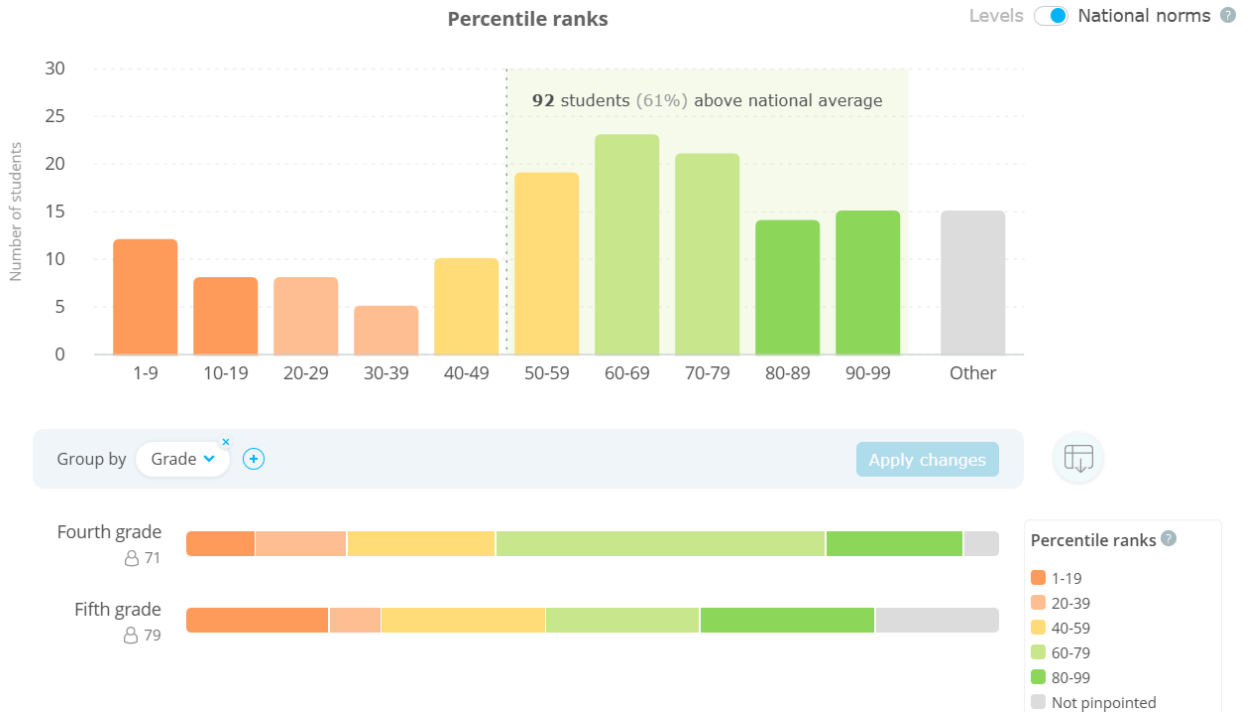

○

All Grades - November 2024

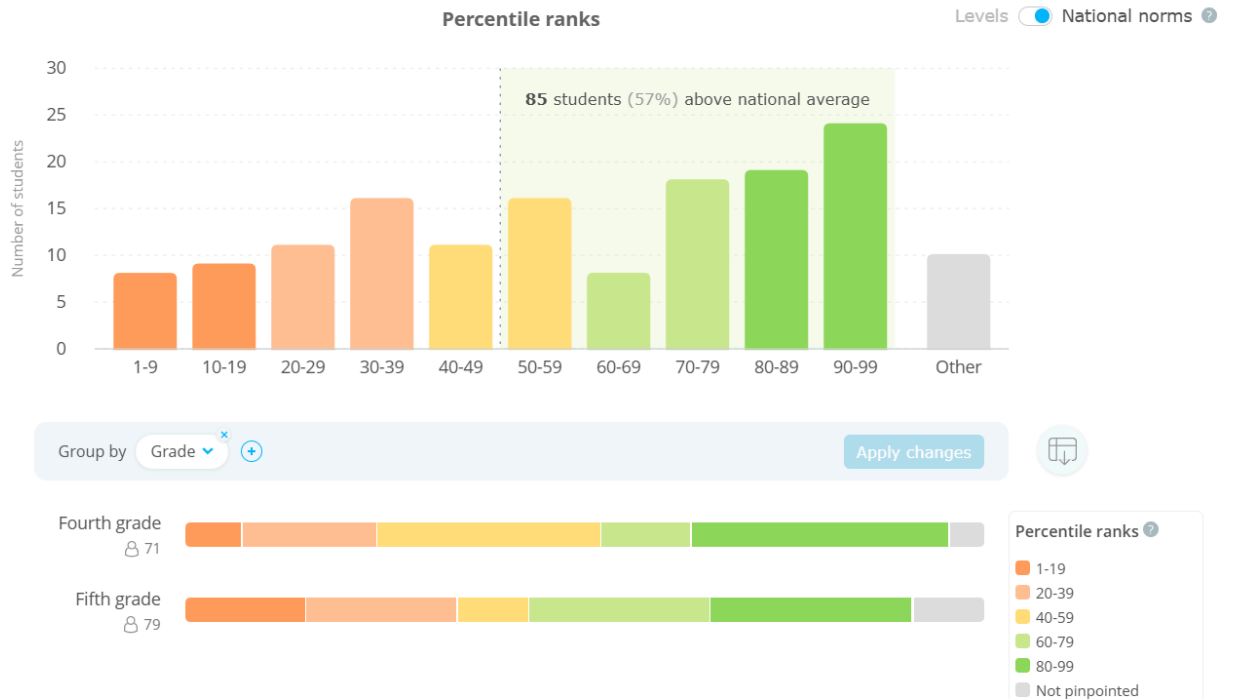

○

- Noticings: K - 8% more T1, 1st - 5% more in T1 and 9% less T3, 2nd - 4% less in T1, 3rd - same

★ IXL Math Data 4th-5th

★ Behavioral/PBIS Updates -

- Our PBIS team met this last week and talked about how there is a high noise level in the cafeteria during lunch and they are having the students name the cafeteria, something like Huskie Cafe. Once they have student input on a name, some of the PBIS staff are going to make some changes to the room, lights and music as incentives and for students to earn opportunities within the cafe. Make it more of a place they like to be and enjoy.

★ Events Past/Upcoming

- Trunk or Treat was on Halloween, please see our newsletter for pictures. But we had nearly 30 cars that came out and volunteered their time for the students to enjoy a safe way to show off their costumes.
- Annual Title 1 Night, Rev up for Reading and Star Gazing
 - Thursday, Nov 7th we had over 294 people participate in the evening with a focus on reading and activities. We will have pictures in our newsletter. Each grade came up with a reading activity for families to do with their students. Kinder had going on a bear hunt which had an obstacle course in the room that was similar to the book. 2nd had reading with a flashlight. Just a couple examples. Each student also received a free book. At the end of the Title 1 event there was a raffle for the students that came and participated.
 - NASA teachers solicited help from a couple of our parents, Brian Weers and Tim Kennedy, to bring out their telescopes and to help with CES telescopes to do a little Star gazing. Mr. Driever was able to bring out the Deep Space scope and look at the Cigar Galaxy, 12 million light years away. This telescope is on loan from BSU and it was cool to see the galaxy.

★ Staff Highlight Certified/Classified

- Lynn Horton, Katie Walton and Miranda Wright - They are leading our PBIS and Advanced Tiers PBIS teams this year and making sure that we are looking at data, student and teacher concerns along with implementing new strategies to meet ongoing challenges.
-

★ Student Highlight -

- Each week Carberry collects Huskie Points from students who are doing great things around the school. 2 students from each grade are called down on Thursdays along with a staff member. Each one gets a prize and we take a group picture. These are posted on our website each week.

Please see the Carberry Newsletter for other information that is going out to our families.
