

WEEK AT A GLANCE

Week of 11/4 to 11/8

Dear Cordova Gardens Families,

Here is your gardens' week at a glance (The EAGLE'S Nest). This is a weekly update that is posted every Sunday before the start of the school week. It is a place for you to get updates regarding the school and the district. This week at a glance, a document will also be available for you on the website on the parent tab under the "Week at a Glance" sub tab.

Multi Procedures

Starting on Tues. Nov. 5th, we will be closing the multi off to parents, as students have had ample time to learn morning procedures. We have enough staff to monitor & support your children in the cafeteria. Please drop off students at the multi gate & we will support them in the multi.

THE CONNECT

We had such a fun time this October it was full of activities and events for our Gardens families. The Harvest festival had such a great turnout and it was amazing to see parents and staff working together to make this event happen for our scholars and our community. As we move into a new month and the weather starts to shift our Community Schools Team wanted to share a little bit about what we are grateful for within the Cordova Gardens Community.

Mr. Jeremiah: "I'm grateful for all the kids in the cafeteria in the morning, they call out for me and are excited to see me. I don't know if they realize I need them as much as they need me."

Ms. Alexa: "I'm grateful for connections and the warmth I feel from people here. I think families and kids here have really made a difference in making sure I feel like I have a place here at Gardens, the relationships I'm building here mean a lot to me."

What are you grateful for?

Below is the form that will be linked here each week for you or anyone within our school community that needs support or even connection. It is sent directly to the Community Schools Leader here at Cordova Gardens, Alexa Trotter:

He has also worked as a raft guide and at youth summer programs where working as a family was essential for achieving success and giving us all the opportunity to reach our highest possibility.
