Good afternoon,

Would you please file to reports for me? The first would be an amended report for 10/9/24. The second would be the campaign financial report certification.

I was thinking it over and because my parents are retired, that's what I put for occupation. However, they do take care of my grandma so I'd like to add that to the report. I just titled it elder care.

Please let me know if you need anything else.

Thanks again!
Daniel
