Mrs. Maria Shaffer, Assistant Principal, mshaffer@burgettstown.k12.pa.us

Burgettstown Middle/High School Families,

This notice is to inform you that Burgettstown Middle/High School will be conducting our state-mandated Annual Safety Drill this Thursday, November 14, 2024. As a reminder, all safety drills are performed to test school procedures related to various situations in order to evaluate the effectiveness of these procedures and adjust any components to maintain a fully functional safety process and school environment.

Classroom teachers will explain and review standard procedures and appropriate actions as the drill takes place. If you have any questions, please feel free to reach out to me at any time. As always, student safety is our #1 priority!

Sincerely,

A handwritten signature in black ink, appearing to read "Dr. Shaun T. Cooke". The signature is fluid and cursive, extending across the width of the page.

Dr. Shaun T. Cooke
Principal
