November 12, 2024

Dear BAEC Families,

As part of our commitment to ensuring the safety and security of all students and staff, we will be conducting a practice security drill on Thursday, November 14, 2024, **as required by the State**. We practice this drill yearly with our campus police.

This regularly scheduled drill is designed to help our school community practice the appropriate procedures in case of an emergency. The goal of this drill is to provide a safe, structured environment where students and staff can review and rehearse necessary steps calmly and effectively. During the practice, the teachers and staff will guide students through the procedure and answer any questions they may have during the practice drill.

If you would like to speak with your child about the importance of safety drills, consider discussing how they are similar to fire drills or other safety practices we use to ensure everyone knows what to do in an emergency.

Thank you for your continued support as we work together to keep our school community safe.

With appreciation,

Melissa M. Mankey
Elementary Principal
