Dear 8th Grade Parent/Guardian,

Welcome to your child's final year at Baldwin Middle School! This is such an exciting and memorable time in their life, filled with new opportunities and experiences that come with being in eighth grade. In addition to the wide range of extracurricular clubs and sports your child may already be involved in, there are special activities exclusively for 8th graders that they won't want to miss. To ensure that your child is eligible to participate in these exciting activities, please encourage them to meet the academic and conduct requirements outlined in the Middle School Academic and Conduct Standards for Participation in Extracurricular Activities.

To help your family stay organized, we've provided an outline on the back with the approximate dates for many of the key 8th grade events. I recommend keeping this information in a convenient spot, like on your refrigerator or family calendar. Please also remind your child to listen to school announcements for updates and details on specific events as the year progresses.

While this list may not capture every event, it highlights some of the most anticipated 8th grade activities. Please note that dates not listed on the school calendar are subject to change.

I hope this information proves helpful as you plan for the year ahead. We look forward to working together to make this a memorable and successful year for your child.

Warm regards,

Dr. Erica D. Taylor  
Principal

***We are Innovative...We are Inclusive...We are Involved...We are Baldwin!***
