AGREEMENT

This Agreement is made this 1st day of July, 2023 between the West Bloomfield Schools Board of Education, Oakland County, Michigan, hereinafter referred to as the Employer and the West Bloomfield Education MT, MEA-NEA, hereinafter referred to as the Union.

PURPOSE AND INTENT

The purpose of this AGREEMENT is to set forth terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Board, its employees and the Union.

The parties recognize that the interest of the School District and the job security of the employees depend upon the Employer's and the Employee's success in establishing adequate and reliable service to the community.

The parties recognize that the obligation of the school system is to provide the best possible educational program for young people and adults, and that all employees should assist in providing a courteous and effective service.

To these ends, the Employer and the Union shall encourage to the fullest degree friendly and cooperative relations between the respective representatives of the Employer and the Union at all levels.

It is hereby mutually agreed as follows:

ARTICLE I **RECOGNITION**

- A. The Employer recognizes the Union as the exclusive representative, for purposes of collective bargaining in respect to rates of pay, wages, hours of employment or other conditions of employment, of all Maintenance and Technical employees listed in Schedule A but excluding executive personnel, supervisors, substitute employees and temporary employees.
- B. In the application and interpretation of the provisions of this Agreement, the following definitions shall apply:
 - 1. Regular Employee:
An employee who is scheduled to work on a regular basis.
 - 2. Substitute Employee:
A person who takes the place of a regular employee on a non-permanent, day-to-day basis, until the regularly assigned employee returns or is replaced.
 - 3. Temporary Employee:
An employee who provides services when help is required and said job assignment or position is not of a regular nature and does not exceed sixty (60) work days per year (Article XVII, A).
 - 4. Work Study Programs:
It is recognized that several co-op work study programs in the schools are a valuable and necessary experience for the educational welfare of our students and that the hiring of these students in no way interferes or conflicts with the duties or privileges of employees. It is understood that the provisions of this Agreement do not apply to these temporary employees.

5. Employer:

The term Board or Employer, when used herein, shall refer to the Board of Education. The Superintendent, Assistant Superintendent for Human Resources, other central office administrators, principals, assistant principals and all other administrative and supervisory personnel are considered agents of the Board, except for the grievance procedure.

ARTICLE II
RIGHTS OF THE EMPLOYER

A. It is expressly agreed that all rights which ordinarily vest and have been exercised by the Board, except those which are clearly and expressly relinquished herein by the Employer, shall continue to vest exclusively in and be exercised exclusively by the Employer without prior negotiations with the Union either as to the taking of action under such rights or with respect to the consequence of such action during the terms of this Agreement. Such right shall include, by way of illustration and not by way of limitation, the right to:

1. Manage and control its business, its equipment and its operations and to direct the working forces and affairs of the Employer's school district.
2. Continue its rights, policies and practices of assignment and direction of its personnel, determine the number of personnel and scheduling of all the foregoing but not in conflict with the specific provisions of this Agreement and the right to establish, modify or change any work or business or school hours or days.
3. The right to direct the working forces, including the right to hire, promote, demote, suspend and discharge employees, transfer employees, assign work or duties to employees, determine the size of the work force and to lay off employees but not in conflict with the provisions of this Agreement.
4. Determine the services, supplies and equipment necessary to continue its operations and to determine all methods and means of distributing and disseminating its services, methods, schedules and standards of operation, the means, methods and processes of carrying on the work including automation or contracting thereof or changes therein, the institution of new and/or improved methods or changes therein.
5. Adopt reasonable rules and regulations.
6. Determine the qualifications of employees, including physical conditions.
7. Determine the number and location or relocation of its facilities, including the establishment or relocation of new schools, buildings, departments, divisions or subdivisions thereof and the relocation or closing of offices, departments, divisions or subdivisions, buildings or other facilities.
8. Determine the placement of operations, production, service, maintenance or distribution of work and the source of material and supplies.
9. Determine the financial policies, including all accounting procedures and all matters pertaining to public relations.
10. Determine the size of the management organization, its functions, authority, amount of supervision and table of organization, provided that the Employer shall not abridge any right from the employees as specifically provided for in this Agreement.

11. Determine the policy affecting the selection, testing or training of employees providing that such selection shall be based upon lawful criteria.

The above are not to be interpreted as abridging or conflicting with any specific provision in the Agreement.

ARTICLE III
NON-DISCRIMINATION POLICY

- A. The Employer and the Union agree to conform with the law and no person shall, on the basis of sex (including sexual orientation and transgender identity), race, color, religion, age, marital or family status, national origin, weight, height disability, military status, ancestry, genetic information or any other legally protected category, (collectively, "Protected Classes"), be denied the benefits of, or be subject to discrimination in employment of any of its programs or activities.
- B. The Employer agrees that there shall be no discrimination against any member of the bargaining unit by reason of membership in the Union. The Union and its members agree that there should not be harassment, intimidation, social pressure, or non-cooperation with any non-member or exempt employee, supervisor or secretary.

ARTICLE IV
REPRESENTATION

- A. The Union shall furnish the Employer with the names of the officers, representatives, committee chairpersons and staff representatives of the Union with whom it may be dealing. Until the Employer has received written notice from the Union, it shall not be required to deal with employees purporting to be representatives.
- B. Whenever possible, grievance problems shall be handled at times other than when the Employee is at work. If it becomes necessary for a Union representative to leave work, he/she shall first seek and obtain permission from his/her supervisor. Such time shall be deducted from union business time.
- C. Any Union representative entering a building other than his/her own, on union business, shall first stop at the office and state his/her business, and visibly display his/her employee name tag at all times.
- D. The Board shall provide a total of ten (10) days (80 hours) of paid leave per year to be used by the Union for union business. The President of the Union shall notify the Office of Human Resources and the immediate supervisor at least two (2) working days in advance, except in emergency situations.
- E. The Union's bargaining team shall be composed of not more than six (6) members plus the MEA staff person.
- F. Both the Union and the Employer shall notify the other party of members of their respective bargaining teams prior to the onset of bargaining.
- G. In any negotiations of a new agreement, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within or outside of the school district.

ARTICLE V
GRIEVANCE PROCEDURE

- A. A grievance is defined to be a complaint by an employee within the unit or the Union based upon an event or condition which is claimed or considered to be a violation, misinterpretation, or misapplication of this Agreement.
- B. Nothing contained herein will be construed as limiting the right of any employee having a grievance to discuss the matter informally with any supervisory or administrative personnel and having the grievance adjusted without intervention of the Union provided the adjustment is not inconsistent with the terms of this Agreement and the Union has been given the opportunity to be present at such adjustment.
- C. Grievances shall be resolved in the following manner:

Step 1: Prior to the initiation of the formal grievance procedure, the employee(s) shall discuss the problem with the immediate supervisor. The employee(s) may have a representative of the Union present, if requested. Every effort shall be made to resolve the problem informally. If the matter is not resolved, the employee(s) may file a formal written grievance with the Union.

The parties agree that Step 1 should occur as promptly as possible but shall take place within ten (10) working days immediately following the event or condition that is the subject or basis of the grievance, or within the ten (10) working days from which he/she has knowledge of such event or condition.

Step 2: A grievance submitted to Step 2 shall be presented to the immediate supervisor within five (5) working days of the informal meeting described in Step 1. A meeting shall be held on the grievance within the next five (5) working days and shall be attended by the employee(s) and representative(s). The immediate supervisor's written disposition shall be rendered within the next five (5) working days.

Step 3: If the grievance has not been resolved at Step 2, then the Union shall present the grievance in writing to the Assistant Superintendent for Human Resources within ten (10) working days of the Step 2 written response. A meeting shall be held on the grievance within the next ten (10) working days and shall be attended by the employee(s) and representative(s). The Assistant Superintendent's decision shall be rendered within the next five (5) working days.

Step 4: If the grievance has not been resolved at Step 3, then the Union may present the grievance in writing to the Superintendent of Schools or his/her designee within the next five (5) working days. The Superintendent of Schools or his/her designee shall meet with the Association and the aggrieved in an attempt to resolve the grievance within the next five (5) working days. The Step 4 disposition shall be rendered within the next five (5) working days.

Step 5: If the grievance is still unresolved, the Union may, within ten (10) working days after the Step 4 disposition, by written notice to the other party, request arbitration.

Within ten (10) working days after such notice to arbitrate, the Union and the Employer shall attempt to agree upon a mutually acceptable arbitrator. If the parties are unable to agree, a request for a list of arbitrators will be made to the American Arbitration Association within the next five (5) working days. The parties will be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.

The arbitrator so selected will hear the matter promptly and will issue his/her decision no later than thirty (30) days from the date of the close of the hearings. The arbitrator's decision will be in writing and will set forth his/her findings of facts, reasoning, and conclusions on the issues submitted.

The arbitrator shall have no authority except to pass upon alleged violations of the provisions of this Agreement and to determine disputes involving the application or interpretation of such provisions. The Arbitrator shall have no power or authority to add to, subtract from, or modify any of the terms of this Agreement, nor shall he/she render any decision, which would require an action in violation of the Michigan School Law.

The cost of the Arbitrator's service, including expenses, if any, shall be paid for by the losing party. If there is no clear loser, then the costs shall be borne equally by the parties. Employees participating in an arbitration hearing shall be released from their regular duties and paid by use of Union business time.

- D. The time limits set forth in Steps 1 through 5 may be extended in writing for good cause shown or mutual consent of the parties. Time limits set forth herein or agreed upon shall be considered as substantive, and failure to conform to them shall mean default by the party failing to conform.
- E. It is understood by the parties that no grievance shall be filed or based upon any prior or previous agreement or upon any alleged grievance occurring prior to the effective date of this Agreement.
- F. The Employer shall not be liable for a financial remedy greater than the amount of lost pay due the grievant for a period up to twelve (12) months. This provision does not apply in cases involving discharge.

ARTICLE VI
DISCHARGE AND DISCIPLINE

- A. No employee shall be discharged, disciplined, demoted, suspended, and/or reduced in compensation without just cause. The Employer agrees that should an employee be discharged, suspended, or given a written reprimand, a copy of such will be sent to the Union President within five (5) days of such action.
- B. When an employee has reasonable grounds to believe that an interview with an administrator is an investigatory interview in which the risk of discipline reasonably inheres, he/she may request that a Union representative be present as a witness for the employee.
- C. Appeal of a discharge or discipline action will be made through the grievance procedure.
- D. This provision is not applicable to an employee during his/her probationary period.
- E. Disciplinary actions two (2) years old or older shall not be used against an employee on any current disciplinary charge unless the actions will show a pattern of behavior by the employee.

ARTICLE VII
SENIORITY, LAYOFF, RECALL

- A. The seniority for all employees shall commence with the first day of work within the school district as a permanent employee. Beginning July 1, 2006 the seniority for all employees shall commence with the first day of work within the bargaining unit. This seniority shall be known as district seniority. All employees shall also gain department seniority. Department seniority shall commence with the first day of work within a department of the WBMT. Departments, for the purpose of this Article, shall be defined as Maintenance, Utility, and Technical.
- B. In the event that more than one employee has the same seniority date (either district or department) the tie shall be broken by drawing lots. The time, place and date of all such drawings shall be mutually agreed

to and announced so that all interested parties may be present. Drawings will only take place when ties need to be broken. Once a tie has been broken, the seniority order shall be considered permanent.

- C. An employee will lose his/her seniority and terminate his employment with the Employer for the following reasons:
- (1) Employee quits or retires;
 - (2) Employee is discharged and the discharge is not reversed;
 - (3) Employee is absent for three (3) consecutive working days without notifying the Employer unless the employee is physically unable to notify the Employer;
 - (4) If the employee fails to return to work when recalled from layoff as set forth in the recall procedure provided herein unless the employee is physically unable to notify the Employer;
 - (5) Involuntary layoff for four (4) years;
 - (6) If the employee gives a false reason for a leave of absence;
 - (7) If the employee engages in other employment during a leave except in proper cases where exception is made;
 - (8) If the employee alters, fraudulently, pertinent information on his/her application for employment (the falsification may come to light sometime after the employee's date of hire or date of acquiring seniority).
- D. A seniority list shall be constructed and maintained by the Employer. The list shall be divided by department listing each employee, district seniority date, department seniority date and classification. Each employee shall be ranked according to department seniority. Frozen seniority, by department, will also be maintained. MT bargaining unit members employed on July 1, 1999 shall retain all frozen transportation department seniority. The Union shall be furnished with a seniority list upon request of the president. The President shall be notified by the Office of Human Resources of all new hires, terminations and leaves of absence as they occur.
- E. No changes or adjustments to the seniority list will be made without mutual agreement of the parties. Such agreements shall be reduced to writing and appended to the master seniority list.
- F. The probationary period for employees new to the bargaining unit shall be ninety (90) regularly scheduled working days. That is, the probationary employee must actually work ninety (90) days of the normal work schedule to complete probation. Any accumulated overtime does not apply toward probation. Health insurance benefits for new employees shall be provided on the first day of the month following the employee's date of hire. Employees may elect to purchase insurance from the first date of hire until the first of the month following the employee's date of hire. Upon completion of probation, the employee will be granted all sick leave from date of hire. New members of the bargaining unit who have completed a probationary period in another bargaining unit within the school district shall serve a sixty (60) working day probationary period. There will be no interruption of the employee's fringe benefits and the employees accrued sick and vacation days will transfer to this unit.
- G. Layoff shall be defined as a reduction in the work force due to a decrease in work, a lack of funds, elimination of a job function or a return from leave resulting in a loss of position.
- H. Should it be necessary to reduce positions, the employer will, to the extent possible, retain higher seniority employees over temporary, probationary and lower seniority employees. District seniority shall be used in all layoff and bumping. The procedure to reduce positions will be as follows:
1. The employer will determine the positions to be eliminated. Employees holding these positions will be considered displaced employees.

2. If there are no vacancies in the bargaining unit (which the employer intends to fill) equal to the number of displaced employees, the employer will notify the least senior employees (regardless of department or classification) equal to the number of displaced employees of layoff.
 3. Displaced employees not notified of layoff may exercise their district seniority to bump into any department/classification for which they are qualified which is equal or lower (in pay rate) to their current position. Displaced employees will be notified of a meeting date and site where they will elect their bump (subject to their district seniority).
 4. Following this meeting the first level of employees bumped will be notified of such by the employer. These employees will also be notified of a meeting date where they will elect their bump (subject to their district seniority).
 5. Following the meeting in #4 the second level of employees bumped will be notified of such by the employer. These employees will also be notified of a meeting date where they will elect their bump if one or more employees have sufficient seniority to bump.
 6. Meetings described in #4 and #5 will continue until only those employees notified of layoff remain.
 7. For the purposes of bumping order seniority will be used at the classification level, not the individual employee rate of pay.
 8. In each meeting described in #3, #4, #5, #6, the employee in the highest paying classification (or the highest senior employee in the highest paying classification) will bump first, and the others will follow in the same order.
 9. The Union will be included in all meetings described above.
- I. An employee who is eligible or any employee in the custodial classification may elect a voluntary layoff instead of bumping, subject to the following:
 - (1) Employee will be eligible for unemployment compensation.
 - (2) Employee must return if recalled to his/her previous classification.
 - (3) Employee shall remain on recall list and available for a recall for four (4) years.
 - J. No employee shall be able to claim, through recall or bumping, a position in a higher paying classification.
 - K. Prior to notification of layoff, the Union shall be provided with a list of those scheduled for layoff. Employees shall have a minimum of twenty (20) calendar days notice prior to the effective date of layoff.
 - L. No new employee will be hired while there are laid off employees, subject to the laid off employee's ability to do the work.
 - M. Laid off employees, in seniority order, shall be given the first opportunity for any temporary work and shall be paid at the temporary employee rate of pay. Any laid off employee who elects to sub shall be placed at the top of the sub list and called before all other substitutes.
 - N. Employees shall remain on the recall list for four (4) years.

Each employee is responsible for keeping the employer advised in writing of any change of address and phone number and will not be excused for failure to report for work on recall if he/she fails to receive recall notice because of his/her own failure to advise the employer in writing of changes of address and phone number.

- O. Laid off employees shall be recalled in reverse order of layoff. Any positions which become vacant or are newly created while employees are on the recall list will first be posted internally and, if not filled, will be subject to the recall provisions. Employees who have exercised their seniority to bump or who have been bumped shall be given the first opportunity to return to their former classification.
- P. Recall shall be by written, certified mail, return receipt requested, to the employee's last known address. Such notice shall require that the employee report for work within fourteen (14) days of delivery or proof of non-delivery. Copies of all recall notices shall be provided to the Union.

ARTICLE VIII
VACANCIES, PROMOTIONS, TRANSFERS

- A. A vacancy shall be defined as a newly created position or a present position within the bargaining unit which the district intends to fill and has become vacant due to resignation, retirement, termination, leave, death, demotion, transfer or promotion. Vacancies shall be posted within ten (10) working days of the vacancy. In cases where posting within ten (10) days isn't possible, the Association President will be notified and provided with the circumstances and a new posting timeline. The posting shall be sent to the Association President and each Plant Engineer. The Plant Engineer will place the posting for five (5) working days in a designated location accessible to all members of the unit. Time limits may be altered by mutual agreement of the parties.
- B. A transfer shall be defined as a move between shifts and/or building locations within the same job classification. Employees shall indicate their interest in transferring in writing. The most senior (department seniority) employee within the job classification will be awarded the position.
- C. Should no one within the job classification apply for a transfer, other employees in the bargaining unit may apply and shall receive consideration along with outside applicants. The position shall be filled by the most qualified applicant as determined by the Employer. In the event a bargaining unit member is denied the position, reasons for denial shall be provided if requested by the unsuccessful candidate.
- D. A promotion is defined as a movement from one job classification to a higher paying job classification. The position shall be awarded to the most qualified individual as determined by the Employer.
- E. If the Employer determines the candidates meet the qualifications, then the most senior qualified employee within the department (department seniority) will be given the job for a forty (40) working day trial period before hiring from outside the bargaining unit. If an employee selected from within the bargaining unit is unsatisfactory in the new position, he/she shall be returned to his/her former classification. In the event a bargaining unit member from within the department does not receive the promotion, reasons for denial shall be provided if requested by the unsuccessful applicant.
- F. If a bargaining unit member is selected for promotion or transfer, he/she will be given a twenty (20) working day trial period during which he/she may revert back to his/her former classification if he/she so desires.
- G. During all trial periods, the employee will receive the pay rate of the new position; however, his/her seniority will continue to accrue in the old/original department. When the employee successfully completes a trial period, his/her seniority (back to the first day of the trial period) shall revert to the new department.

ARTICLE IX
COMPENSATION

- A. Wages shall be set forth in Schedule A attached hereto.
- B. Wages will be paid bi-weekly via direct deposit in accordance with the payroll schedule and the direct deposit guidelines.
- C. Employees will receive a telephone stipend in the amount of \$15.00 per month for twelve months.
- D. Employees required in the course of their work to drive personal automobiles from one building to another or on other approved school business shall receive a car mileage allowance at the established annual IRS rate. Reimbursement shall be requested on no more than a once per month basis and shall be requested by June 30 for reimbursement from the previous year.
- E. Employees in the technical department who use their vehicles for school business on a regular basis (as determined by the supervisor) shall be given a vehicle allowance of five hundred fifty dollars (\$550.00) per year. Payment shall be made at the end of each school year. Employees must complete the school year in order to be eligible for the payment.
- F. In the event that the Employer provides in-service training and requires attendance at such in-service, employees shall be paid their regular hourly rate.
- G. Employees may request approval to take outside courses of instruction in areas directly related to their employment responsibilities. If such request is approved by the Superintendent or his/her designee, tuition and books (but not additional wages or transportation) shall be paid upon submission of evidence of satisfactory completion of approved course(s).
- H. Upon separation (excluding termination) from the school district, employees shall be paid forty dollars (\$40.00) per day for unused sick time.

Such separation (excluding termination) pay will be paid provided the employee has been employed by the West Bloomfield School District for five (5) years. If an employee dies while employed by the West Bloomfield Schools, the separation pay for the unused sick time will be paid to that employee's estate. Any days accumulated beyond one hundred eighty (180) days will be donated to the WBMT Sick Bank at the time the employee separates from the district.

- I. Upon retirement from the school district, employees who are eligible for MPSERS benefits under the regular or early retirement plans (excluding deferred retirement and disability retirement) will be paid fifty dollars (\$50.00) for each unused sick day up to a maximum of 180 days. Such funds will be deposited by the district into one of the 403(b) plans offered by the district. The employee shall select the plan. Any accumulated days beyond one hundred eighty (180) days will be donated to the WBMT sick bank.

Employees hired prior to August 31, 2014 and with over 15 years of service to the district will be paid fifty dollars (\$50.00) for each unused sick day up to a maximum of 190 days.

- J. Any employee who is laid off and subsequently terminates his/her employment will have all unused sick days donated to the WBMT sick bank.

ARTICLE XI
OVERTIME PROVISIONS

Should an employee wish to begin or return to the overtime list, he/she may do so at the beginning of each overtime period. Any employee

6. Employees will be credited for overtime worked or charged for overtime refused at the rate they would be paid: i.e., eight (8) hours on Saturday equals twelve (12) hours of pay and eight (8) hours on Sunday equals sixteen (16) hours of pay.
7. Overtime will be equalized among employees in a department or (for custodians) by building according to the periods noted in the specific department below.
8. 5. Overtime will be equalized every six months on these lists on July 1 and January 1.
6. Emergency overtime will be defined as available work for which there is not at least twenty-four hours notice.  - (2) Absence for serious illness in the immediate family. The combined payments received by an employee hereunder shall not exceed the employee's regular salary for the period of disability.

If the absence is for more than twenty (20) calendar days, the employee may elect to receive the difference between the amount or payable by the Worker's Compensation carrier and the employee's regular wages, chargeable to the employee's accumulated sick leave bank pro rata. The employee shall retain the right to file an appeal with the Worker's Compensation carrier and utilize his/her sick leave bank, subject to a doctor's recommendation to remain off work. If the employee fails to return to work upon exhaustion of his/her sick leave bank, the employee shall be considered on unpaid leave. An unpaid leave shall be granted for up to one (1) year. Extensions beyond one (1) year shall be at the discretion of the Employer and failure to extend the unpaid leave is not subject to the grievance procedure. The employee shall not be eligible for sick leave accrual or vacation leave accrual and shall be responsible for the payment of his/her own insurance benefits as provided for under the COBRA Act. If the employee returns to work by the end of the unpaid leave, the employee shall be reinstated to his/her former position, or one of equal classification. If the employee fails to return to work by the end of the unpaid leave, the employee shall be considered as terminated.

A. Personal or Professional

Leave of absence, without pay, for good cause shown may be granted employees for a period of up to one (1) year upon request of the employee and upon approval of the Employer. Neither seniority nor pay schedule credit will be granted for the leave, but accumulated leave days at the time of leaving will be maintained.

Any employee covered by this contract shall not lose seniority with approved unpaid leave of twenty-five (25) working days or less. Any employee requesting and given approval for leave exceeding twenty-five (25) days shall cease to accrue seniority beginning on the twenty-sixth (26th) day of the leave and extending until the leave terminates and the employee returns to work.

- B. Public Office
Any employee elected or appointed to a public office, which takes him/her from his/her employment with the Employer, shall, upon written request of the employee, be granted a leave of absence without pay or benefits. The leave of absence shall not exceed one (1) year, but may be renewed or extended for a similar period at any time upon request of the employee. Neither seniority nor salary credit will be granted for the leave.
- C. Military Leave
A military leave of absence shall be granted to any employee who shall be inducted or shall enlist (for the term of one [1] enlistment only) for military duty in any branch of the Armed Forces of the United States. Upon return from such leave, an employee shall be placed at the same position on the salary schedule as he/she would have been had he/she been employed by the Board during such period. The period of said leave shall not exceed the period of one (1) enlistment if the employee enlists or the period covered by the original induction orders if the employee is drafted. Seniority shall continue to accumulate during this leave.
- D. Union Business
Any bargaining unit employee elected or appointed by the Union to do work which takes him/her from his/her employment with the Employer shall, at the written request of the employee, be granted a leave of absence without pay. The period of the leave of absence shall not exceed one (1) year, but it may be renewed or extended for a similar period at any time upon the request of the employee and approval of the Employer. The seniority of the individual on leave for Union business shall continue to accumulate, excluding pay increments, during the leave.
- E. Medical Leave
A medical leave of absence shall be granted to employees for up to one (1) year. The leave may be extended for another year. This leave must be substantiated by a physician. If an employee is released to return to work by the physician before the expiration of the leave, he/she will be required to give the Employer at least thirty (30) calendar days notice to be reinstated. Seniority shall continue to accumulate excluding pay increments, during the leave.
- F. When an employee is on leave due to sickness or injury, the employee may return to the same position held prior to the leave, provided that he/she returns to work before ninety (90) working days have lapsed following the last day of the employee's personal paid leave days or sick bank days or vacation days.
- G. An employee on a non-medical leave of absence shall return to his/her position only if the unpaid leave is for sixty (60) working days or less.
- H. Upon termination of an unpaid leave of absence, the employee shall be reinstated to a position in his/her same classification, consistent with his/her department seniority rights. If an employee is released by his/her personal physician before the expiration of a health-related leave, he/she will be required to give the Employer at least a thirty (30) calendar day notice to be reinstated. Should the employee be unable to return to work due to lack of seniority or lack of vacancies, he/she shall be considered laid off.
- I. Family and Medical Leave
After a full year (at least 1250 hours) of employment, employees will be eligible to request an unpaid leave of up to twelve (12) weeks for the birth of a child, adoption of a child, foster care of a child, care of a child 18 years or younger, care for a spouse, child or parent if such relative has a serious health condition, or for their own serious illness. To be eligible for the leave, the employee must have been actively employed for one (1) full year prior to the commencement of the leave. The Board may require that the employee exhaust all paid leave entitlement as part of the mandated twelve (12) week leave period.

Application for leave under this provision shall be made by completing the district-provided application form at least thirty (30) days prior to the commencement of the leave. If it is not possible to complete the

application form in advance of the leave, the form must be completed and signed within ten (10) days of the start of the leave. The form shall state (1) the reason for the leave; (2) relationship to the individual; (3) expected beginning and ending dates; (4) physician's verification; (5) agreement to reimburse the costs of medical premiums should the employee sever employment, subject to the exceptions as outlined in the Family and Medical Leave Act Rules and Regulations.

The Board may request medical verification or other information verifying the need for the leave. The commencement and duration of the leave may be dependent on the special leave rules set forth for academic institutions in the Family and Medical Leave Act as determined by the Employer. Seniority shall continue to accrue during the leave. Health benefits will be continued during the leave under the same conditions and at the same level as if the employee were at work. If the employee returns to work immediately following the twelve (12) weeks of leave, he/she shall return to the same position or a position equivalent to the position held prior to the leave. If the leave continues for longer than twelve weeks, the employee will return under the conditions stated in Section F or H of this Article.
