WELLNESS BUILDING

Tonight was the ribbon cutting ceremony for the Wellness Building and tomorrow, it will be available for use for students and staff. We look forward to the building being used and beneficial to our students and staff.

VETERANS DAY

Yesterday was Veteran's Day. NBC always has excellent assemblies recognizing veterans and the sacrifices that they have made.

LAURETTA WOODSON RECIPIENTS

I want to recognize Teri Biddle and Ashley Snyder for receiving the Laretta Woodson award for great contributions to the education of children.

ELEMENTARY

Report Cards

Report cards for the first marking period were sent home with students on October 3.

Thanksgiving Meal

We will hold our annual Thanksgiving meal for the elementary school on Thursday, November 14. This is always a well-received event for our school, and we're excited to host lunch again this year. The cafeteria staff, custodians, high school helpers and lunch supervisors always do a fantastic job providing an enjoyable experience for our students and guests.

Veterans Day

This year's Veterans Day assembly was held on Friday, November 8. Our Little Panthers celebrated the dedicated service and contributions that the members of our armed forces make for our country. We are always proud to host many veterans and their families for this program. We had 44 veterans attend this year's program. Numerous students and staff had a part in this program to honor our local veterans. Mrs. Danelle Pepple was our guest speaker for this year's program.

Grade 2 Musical

Our grade 2 students will be performing their annual musical at 7:00 PM on November 19 in the MPR of the elementary school. This year's show is titled "It's Showtime". Mrs. Jones, elementary school music teacher, will be directing the musical along with the assistance of the second-grade teachers.

Parent/Teacher Conferences

Parent/Teacher Conferences are scheduled for Tuesday, November 26 from 1:30 to 8:00 PM and Wednesday, November 27 from 8:00 to 11:30 AM. Information regarding these conferences will go out to parents on November 13.

Safety Drill

The elementary school students and staff will be participating in a required safety/security drill on Friday, November 15. The Southern Cove Volunteer Fire Department and EMS will be participating in this drill as well.

FEDERAL PROGRAMS REPORT

Participation Letters

It is hard to believe that we are officially working on items for next school year when the first marking period is just being completed. A requirement of the Title Programs is to invite the non-public schools that have eligible private school children to participate in the Title programs. Each year we must send letters to the directors of these schools to participate in Title for the 2025-26 school year.

Comparability Report/Assurance

Another requirement of the Title Program is to ensure all students have equal access to the benefits provided through the Title Program funds. This can be a concern for districts that have multiple buildings housing same grade students within each building. (i.e. A district that has multiple elementary schools.) This is not a concern for us. Having just one building, our students do have equal access to these benefits.

MIDDLE SCHOOL

Students of the Month

Students of the Month are nominated each month based on school pride, citizenship, and work ethic. Faculty and staff then have the opportunity to vote on students who are demonstrating our Panther PRIDE traits by being Positive, Respectful, Involved, Dependable, and Excellent.

NBC Middle School November Students of the Month:

Grade 6	Katherine Davis	Seth & Jennifer Davis
	Daniel Wiest	Brian Wiest
Grade 7	Madison Morningstar	Mark & Melissa Morningstar
	Jaidyn Shaulis	John & Rosemarie Shaulis
Grade 8	Bella McCoy	Brian & Jennifer McCoy
	Wyatt Sweinhart	Bonnie Casey & Eric Sweinhart

Hunter Trapper Education

Sixth grade students participated in Hunter Trapper Education (HTE) on Thursday, October 10th. This program is offered to our students annually by NBC staff who are trained HTE instructors. Mr. Hileman, Mr. Barton, Mr. Miller, Mr. Ewart, Mr. Beatty, Mrs. Mowery, and Mrs. Pritchett work together to educate our students on hunter safety and gun safety during this full day program. Students who pass the comprehensive exam at the conclusion of the program earn their Hunter Trapper Education Safety cards.

Red Ribbon Week

Red Ribbon Week was celebrated across the district during the week of October 21st. Middle school students and staff participated in fun theme days including the following: Wear Red Day, Camo Day, Twin Day, Crazy Socks Day, and Team Jersey Day. Students received tips on avoiding drugs and alcohol and making other safe and healthy choices. A door decorating contest also brought about some friendly competition between homerooms! Mrs. Musselman's door was the winner this year!

MIDDLE SCHOOL (cont'd)

Annual Security Drill

Secondary students and staff participated in the annual school security drill on Monday, November 4th. We focused on practicing a lockdown. Teachers reviewed procedures and expectations.

We also teach our secondary students the concept of Run, Hide, Fight each year. Drills and lessons such as these provide our students with the knowledge and confidence needed to make difficult decisions quickly in the event of an emergency.

Parent Teacher Conferences

Parent Teacher Conferences will be held Tuesday, November 26th from 3:30-8:00pm and Wednesday, November 27th from 8:00-11:15am. Information was sent home with students along with the Term 1 report cards. Information is also posted on the middle school's webpage.

Math Update

Danielle Marshall, a school partnership manager from Carnegie Learning, spent the day with the middle school math department on October 16th. She is available for consultation this year due to a state grant. This same grant covered the implementation of a digital supplemental resource, Math Stream. This program is utilized in the middle school, along with Mathia and IXL.

Amanda Williamson, a math specialist from IU8, has met with the middle school math department on two occasions this year. She spent time with us during the week of November 11th as we reviewed our current math resources and instructional approaches. Amanda will be visiting again in December and then for an in-service in January.

HIGH SCHOOL

Bedford Chamber of Commerce Business Showcase

Grade 9 students attended this career fair, held at the Bedford County Airport on 10/24/24. Students had the opportunity to informally interact with over 35 employers from our community to learn about industries and job options within our county.

Students of the Month

NBCHS is asked to select "Students of the Month" for the Morrisons Cove Rotary Club based on Rotary's criteria and staff voting. Seniors selected for the first three months of the school year include Jaylyn Resh (September), Avery Aungst (October) and Benjamin Pritchett (November). These students, as well as students from upcoming months, are also referred as nominees to the Bedford Gazette's "Teen of the Week" program, which is a Bedford County-wide program that utilizes similar selection criteria.

NHS

Eleven NBC sophomores, juniors, and seniors will be inducted into the National Honor Society (NHS) on Wednesday, November 13, 2024. The NHS considers not only academics, but also community service, leadership, and character as qualifiers for membership. Current members include Seniors Avery Aungst, Wesley Horsh, Aleah Loose, Addison Love, and Jaylyn Resh and Juniors Adam Berry, Kaylee Ebersole, Sarah Helsel, Kasey McElgin, Makenna Showalter, and Alyssa Yeatts. New inductees include: Seniors Aaron Bowers, Jacqueline Clevenger, Raegan Snider, and Katelyn Snyder; Junior Shelby Dively; and Sophomores Grace Dainty, Amberly Detterline, Audrey Frye, Callie Miller, Mylee Mitchell, and Mayleigh Ritchey.

Women in Business

The Bedford Co. Chamber sponsored four female students to attend the Women in Business Conference at the Omni Bedford Springs Resort on November 6, 2024. This conference was a great experience that involved keynote speakers, leadership workshops, and a networking luncheon. Juniors Emalee Bowser, Shelby Dively, Olivia Helsel, and Alyssa Yeatts attended.

Early College Update

Allegany College of Maryland visited 11/12 and assisted students with spring semester course registration through their school. 25 students are participating in early college courses via ACM either in-house or online. Approximately 25 Juniors and Seniors are also taking year-long courses via Penn Highlands Community College, Saint Francis University, and/or Mount Aloysius College to earn additional dual enrollment credits.

ASVAB

Any junior or senior who wishes to take the "Armed Services Vocational Aptitude Battery" (ASVAB) for military enlistment or career exploration purposes may sign up this month to test at NBC in early December.

Red Ribbon Week

Our NBC SADD (Students Against Destructive Decisions) coordinated our Red Ribbon Week events at NBC to raise awareness of the danger of drug use. Students showed their support by participating in a themed spirit week. The high school Pride team distributed tickets to students in which they could give to any teacher or staff member demonstrating PRIDE. A drawing was held with Mrs. Musselman and Mrs. Frederick winning Bingenheimer cookies while Mr. Keith and Mrs. Over were winners of Amazon gift cards. Finally, the Grim Reaper made an appearance to represent the daily lives lost to drugs and alcohol.

Parent/Teacher Conferences

Parent/Teacher Conferences will be held on Tuesday, November 26 from 3:30 to 8:00 PM and Wednesday, November 27 from 8:00 to 11:30 AM. The high school conferences will be run via "open house" and may be conducted in person, via teleconference, or zoom. The conference provides a valuable bridge between parent and school relations.

Veterans Day Assembly

On Friday, November 8th, the middle school and high school students paid tribute to our military veterans at our annual Veterans Day Assembly. Each year, powerful messages are delivered to our students that emphasize our calling to continually support and honor our veterans. Mr. Gable does an excellent job each year organizing the Veterans Day Assembly and we sincerely appreciate his efforts.

FCCLA Food Drive

The FCCLA is collecting non-perishable food items to distribute to multiple community members and their families. The families will be given food items to prepare a Thanksgiving meal along with extra, much-needed pantry staples. The club will also collect monetary donations to purchase Walmart gift cards, in hopes of providing turkey for the Thanksgiving holiday. Families will pick up the donations on Tuesday, November 26th at scheduled times.

NBC PRIDE Activity

On Tuesday, November 26th, the PRIDE team is hosting a "Friendsgiving" where students will have the opportunity to eat lunch with their friends and utilize the courtyard during their lunch/6th period class. In the courtyard, students will be able to participate in yard games and, weather permitting, roast marshmallows at a fire pit.

Current Issues Field Trips

On 10/29 Current Issues attended a small campaign rally in Johnstown to hear Bill Clinton speak on behalf of the Harris campaign. Every student on the trip was able to meet the former president and shake his hand after he was finished speaking. On 10/30, students traveled to the Bedford County Airport to hear Senator Vance speak. Students arrived at 12 and worked the event for 5 hours before heading in to hear Senator Vance and Tulsi Gabbard deliver their remarks. Thanks to Mr. Frederick for driving the other van that day.

Mr. Barton and his class would like to thank everyone that made these unique and unplanned trips possible. There is no better way to get kids excited about the electoral process than having them experience these events first hand.

Wellness Curriculum

I have been meeting with Mrs. Clouse and Mr. Clark regarding how we can best utilize the new wellness center into our physical education curriculum. We are currently working towards restructuring the curriculum maps for all high school courses to include a wellness unit at the beginning of the year that provides students with a thorough training of proper use of equipment along with proper cleaning and most importantly, safe use. We have also been discussing how to implement use of the wellness center into other units so that continual use is consistent throughout the year.

Unique Opportunities

In October, I was invited to participate in Mr. Gable's Sociology Class discussion around "coffee culture". This was a great experience for me to teach students about various methods for making coffee and some of the history behind this popular drink. The class discussion around the recent cultural changes in societies was interesting and it was exciting to hear student's perspectives on how something as simple as coffee can impact our society.

Also in October, Mrs. Kensinger and Mr. Over invited me and my family to attend the FFA campfire. This was a great experience for all who participated and I appreciated the opportunity to spend time with our students in a different setting. Additionally, my children greatly appreciated the smores.
