

## Construction Positions in Hayward

Growing Bay Area general contractor specializing in multi-family maintenance and repair has several openings for stucco and journeymen level construction personnel. These roles would be required to complete a variety of tasks including lath, stucco, carpentry, waterproofing, stucco, siding, trim, framing, interior finish, drywall, painting, and concrete. Reliable transportation required and a dependable light truck is also a plus.

### REQUIREMENTS:

- \* Capable of lifting 50 pounds
- \* Previous experience in construction
- \* Ability to follow construction plans and instructions from supervisors or more experienced co-workers
- \* Ability to work in extreme environments (example: hot sun, cold, crawl spaces, attics)
- \* Must be willing and able to climb ladders and work in crawl spaces
- \* Valid CA driver's license with clean driving record
- \* Reliable transportation
- \* Excellent communication and organizational skills
- \* Excellent customer service skills
- \* Exercises a high level of professionalism and a positive demeanor
- \* Thrive in a team environment and can work individually with minimal instruction
- \* Must be a hard worker and dependable
- \* In compliance with federal law, all persons hired will be required to verify identity and eligibility to work in the United States and to complete the required employment eligibility verification document form upon hire

### BENEFITS:

- \* Pay based on experience
- \* 40-hour work week and overtime (if applicable)
- \* Medical
