

Production Positions in Modern Hayward Factory

\$30/\$40 hr (hayward / castro valley)

We are conveniently located on Industrial Pkwy just east of the 880 and south of the 92.

We are hiring to fill these positions: Roll Forming Machine Operator & Assemblers

General Description:

- Training positions available in Steel Framing Industry
- Job Location: Hayward, CA
- Training: Each person hired will have the option to be cross trained on operating production roll forming machines that are used to make steel framing building components (walls and trusses) and if interested also as a member of the field assembly team. Rate of pay will increase when performing field work.
- Several Openings at present and we will be hiring again in a few months for swing shifts.
- Shifts: currently M-F 6am to 3pm again with the intention of having a swing shift(s).
- \$30 an hour to start (with benefits after 90 days). Pay rate for field work is paid at \$40 an hour.
- Health insurance 90% paid for employee and 50% for dependents based on the company's base plan CalChoice Kaiser Permanente Gold.
- Paid National holidays.

Company Information:

Dragonfly VERT, is setting up a roll form steel production facility located in Hayward, CA and is looking for individuals with a can-do attitude who are motivated and enthusiastic about coming onboard with new ways to build homes particularly if you have a wood framing background and find benefit with steady work that is not affected by whether.

Who You Are:

- Enjoy working in a team environment; willingness to perform duties where necessary
- Self-motivated with a high degree of ownership and accountability for results
- Safety First Aware
- Good command of the English language both oral and written
- Comfortable with basic mathematics
- Ability to read fractions and a tape measure
- Basic understanding of computers
- Must have legal authorization to work in the United States
- High School diploma/ equivalent
- Understanding of basic hand and power tools and their use

- Must be able to walk, sit, reach with hands and arms, and stand for long periods of time
- Vision required for this job includes close vision (clear vision within 20 inches), distance vision, peripheral vision, and depth perception
- Manual Dexterity
- Ability to lift a minimum of 50 lbs. to unload materials and load components when completed
- Own safety boots

Work Environment:

- Noise level can be high at times and may require use of hearing protection
- Moving mechanical parts, with occasional exposure to low level hazardous chemicals as well as exposure to heat and cold
- Personal Protective equipment (PPE) may be required depending on assigned tasks

To apply, qualified candidates should immediately send resumes

PLEASE NOTE: I will be conducting interviews over the weekend as these positions need to be filled.
