

Kaeser Compressors, Inc. is one of the largest and most successful suppliers of industrial air systems with over 5,000 employees worldwide. Kaeser offers quality compressed air systems, comprehensive consulting services, and outstanding after sales support. We specialize in evaluating each customer's application and providing the most efficient and effective air system solution. To learn more about Kaeser, visit our website at www.us.kaeser.com

We are seeking individuals who have worked in an **industrial** or manufacturing environment to fill the positions of **Branch Service Technician** for our service territories in and around:

- Fairfield, CA
- San Jose, CA
- Reno, NV

Job Description

The selected candidate will:

- Perform all maintenance and service on **compressed air systems** for customers in the designated territory, including after-hours emergencies
- Prepare all service orders, timesheets, and expense reports accurately, neatly and timely
- Assist with evaluation of Kaeser products for warranty, rebuilding and maintenance purposes
- Seek to acquire new service business, maintenance contracts and parts/accessory sales
- Be responsible for the up-keep of all company issued tools used for servicing compressors and related items
- Communicate with the Technical Department to find solutions for repair, installation, or service issues on compressor, blower and/or vacuum units

Required Qualifications

The successful candidate's background will include:

- 2-3 years solid field service experience performing installations, preventative maintenance, and repair of industrial equipment, **preferably compressors**
- A strong electrical/plumbing/mechanical aptitude
- Excellent communication and problem solving skills
- Ability to be self-directed in order to perform with little supervision
- Owning hand tools
- PC literate, specifically MS Products, Word, Excel (required)
- Clean Driving Record (required)
- A satisfactory background check per Company guidelines (required)
- **Refrigeration certification (a Plus)**

We offer a competitive salary, company van with gas card, laptop, cell phone, company paid uniform rental; benefits package, Profit Sharing and 401(k) Plan.
