

Electro-Mechanical Assembler

Manufacturing | Newark, CA | Full Time | From \$29,480.00 to \$49,280.00 per year

JOB DESCRIPTION

Teledyne Technologies Incorporated provides enabling technologies for industrial growth markets that require advanced technology and high reliability. These markets include aerospace and defense, factory automation, air and water quality environmental monitoring, electronics design and development, oceanographic research, deep water oil and gas exploration and production, medical imaging and pharmaceutical research.

We are looking for individuals who thrive on making an impact and want the excitement of being on a team that wins.

ELECTRO-MECHANICAL ASSEMBLER

Teledyne ETM is seeking an individual to join our production team as a novice electro-mechanical assembler. You will be building electronic systems and subsystems and their components using appropriate work instructions.

Job Description:

- With training, assemble electronic components, multiple-wire harnesses, sub-assemblies, large and heavy chassis and systems
- Follow work instructions, including production drawings, photos, notes and verbal directions
- Solder and touch-up components
- Work with a team of assemblers and technicians
- Identify and initiate continuous improvement
- Work with engineers to make changes when required

Required Skills:

- Able to handle multiple commitments
- With training, able to read and understand manufacturing instructions
- Comfort with using hand and power tools
- Able to safely lift up to 50 pounds on a regular basis
- Basic computer skills – email, internet parts search, ability to learn to use various database programs
- Attention to detail
- Good command of the English language, both written and verbal

Preferred Skills

- Some experience with mechanical assembly work, and following work diagrams and instructions
- Basic plumbing experience
- Good hand/eye coordination and mechanical aptitude

- Soldering ability

Please note: Employment offers will be contingent upon proof of vaccination against Covid-19, except in limited circumstances where an employee is legally entitled to an accommodation.

Salary Range: \$29,480.00 - \$49,280.00

Teledyne and all of our employees are committed to conducting business with the highest ethical standards. We require all employees to comply with all applicable laws, regulations, rules and regulatory orders. Our reputation for honesty, integrity and high ethics is as important to us as our reputation for making innovative sensing solutions.

Teledyne is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or veteran status, age, or any other characteristic or non-merit based factor made unlawful by federal, state, or local laws.
