No experience needed. Training provided.

REQUIREMENTS:

- Positive attitude
- Work well individually and with a team
- Detail oriented
- Dependable
- Fast learner
- Must be able to follow COVID protocol

JOB FUNCTIONS:

- Ability to concentrate and do some repetitive work.
- Good eyesight as well as good eye/hand coordination.
- Cleaning and processing 3D printed parts.
- Shop maintenance: sweeping, cleaning, etc.
- Packaging and shipping.
- Ability to perform and/or learn new skills as required.
- *Experience with tools, painting, and/or sanding is a plus.

WORK ENVIRONMENT:

- 3D printing and manufacturing facility

COMPENSATION:

- Starting \$14/hr with great opportunity for advancement
- Benefits available after 90 day probation period

HOURS:

Monday- Friday

8:00- 4:30PM with some opportunity for overtime

If you are interested in this position please send your resume and contact information to chris.sehenuk@protocafe.com.

Potential candidates will be contacted for further consideration.
