About the position:

We're looking for a Tech Install Team member. This individual will be part of a team who carries out installations for all new spaces, for both new and growing clients, assessing equipment needs and designing functional break rooms. This role will help in repairs, service calls, and preventative maintenance. Technicians have the role of keeping the condition of equipment in working order.

Must have:

- *Previous experience fixing coffee machines, refrigerators, and other vending equipment*
- *Must have a valid driver's license and clean driving record*

Responsibilities:

- Must be able to maintain excellent customer service contact with the client
- Responsible to test, repair and resolve equipment breakdowns, refurbishing and communicate to supervisor any equipment that needs to be decommissioned
- Will be responsible for troubleshooting and diagnosing
- Must exercise patience, calm demeanor that sets the tone for the team
- Take charge' attitude, problem solver, deadline driven
- Technologically savvy
- Flexible work schedule/hours
- Teamwork and positive attitude
- Compliance of performance, attendance, and dress code standards
- Must be flexible and ready to tackle assignments as set by management

Other Requirements:

- Must have a valid driver's license and clean driving record
- Must have 3 years driving experience and be insurable
- Must be able to read, write and communicate in English
- Ability to effectively manage time and meet necessary deadlines
- Must have top-level team skills to be able to work with others
- Must have the ability to carry out instructions
- Must have the ability to multi-task
- Ability to work with machines and equipment, such as hand tools, drills, etc.

About BlueStar:

BlueStar Refreshment Services has been keeping companies absolutely gratified for more than fifteen years. With over 150 clients across the US and Canada, we continually seek new ways to reinvent the perfect corporate kitchen. BlueStar provides unparalleled service across North America, creating a seamless program for our clients whether they have offices in DC, Toronto, Seattle, or Denver. We will support your business no matter where your people sit.

Realizing the oh-so critical link between local businesses and their communities, BlueStar gives our time, support and resources to those in need. We even offer programs for our customers to get involved and make a difference. A certified “Green Business” in Silicon Valley, we make sustainable choices that not only traverse our daily operations, but also extend to our customers – from obsessive recycling efforts to delivering supplies in our low-emissions vehicles to our on-going association with green thinking organizations such as Cool California. BlueStar has been widely recognized for our outstanding green efforts.

At BlueStar, we provide a fair and equal employment opportunity for all employees and candidates regardless of race, color, religion, national origin, gender, pregnancy, sexual orientation, gender identity/expression, age, marital status, disability, or any other legally protected characteristic. BlueStar hires and promotes individuals solely based on qualifications for the position to be filled and business needs.
