

Service Technician for Food Equipment/Seasoning Company (Milpitas, CA)

CBS Food Equipment company is seeking a Service Technician to repair food equipment. Some mechanical and electrical skills are a plus. You must have a clean driving record as this job requires some driving with our company van. The company will train on all aspects of this job. Our office and work site is in Milpitas.

Please fax your resume and DMV print out to Ken Sams or email it to:
