Exposure to **Microsoft, AWS**, and other leading technologies

- › Mentoring from senior level IT professionals
- › Employment readiness workshops to prepare for job searching, interviews, and higher wage IT careers
- › A full range of ongoing social support including guidance navigating challenges with unemployment, housing, food security, childcare assistance, and more
- › Job placement assistance with access to a wide range of top employer partners at Fortune 500 companies
- › Most common entry-level tech jobs are Help Desk Technicians, Business Analysts, and Junior Project Managers with graduates' average starting salaries at \$54,553*

*2017–2019 CA Graduates' Average Salaries

"It's important to have diversity in tech because it fosters innovation and brings together different backgrounds and beliefs. Diverse inputs make companies stronger."

Alejandra B.

NPower California, Tech Fundamentals Fall 2018
Business Systems Analyst, Robert Half Technology
