- Career development workshops
- Job placement assistance
- A range of social service and personal development support
- Access to an elite and supportive alumni network

This workforce product was funded by a grant awarded by the U.S. Department of Labor's Employment and Training Administration. This product is copyrighted by the institution that created it.

"It's important to have diversity in tech because it fosters innovation and brings together different backgrounds and beliefs. Diverse inputs make companies stronger."

Alejandra B.
NPower California, Tech Fundamentals Fall 2018
Business Systems Analyst, Robert Half Technology

NO TECH BACKGROUND REQUIRED

Must be between the ages of 18-25 and have earned a minimum of a high school diploma or equivalent.
