

Part-Time Help at Niles Pie Company

We are looking for an afternoon closer/dishwasher/prep person, who might like to learn more kitchen skills, as well as customer service. We're a great entry-level culinary job for someone looking to work hard and learn. We need at least every other Saturday, with one or two (possibly more) afternoons per week. \$12 to start, and we try to move people up as quickly as they learn.

To apply: Drop in to Niles Pie and fill out an application, send an email to carolyn@nilespie.com, or call 510-304-3936.
