

Seeking reliable, friendly visitor for our Senior client residing at Aegis Living Fremont.

Client has a small dog. Schedule is flexible, short visits. Responsibilities include visiting 7am or 7:30am and accompanying client to walk her dog (short visit) and if possible again about 7pm; other visits would include companionship (doing puzzles), observing and documenting activities, walking dog with her, communicating unusual observations to Conservator and following safety rules.

Studies in nursing, psychology, geriatrics or other related subjects a plus.

No ADL or physical care required. Approximately 5 – 10 hours per week, flexible schedule.
