B&F #3

DATE OF BOARD MEETING: November 15, 2010

TITLE: Adopt Resolution No. 4-1011
Surplus Inventory

Background:

Education Code, Section 17546 states that if the Governing Board, by unanimous vote of those members present, finds that the property, whether one or more items, does not exceed in the value of two thousand, five hundred dollars ($2500), it may be sold at a private sale without advertising, by a District employee empowered for that purpose by the Board; the property may be donated to a charitable organization, or it may be disposed of in the local public dump.

Current Status:

Mission Valley ROP recently completed an inventory of equipment. We would like to remove these items from the inventory list as noted in the attached report. These items are surplus, broken and/or the cost of repairs would exceed the value of the equipment.

Exhibits: List of Surplus items.

Recommendation:

Approve Resolution No. 4-1011 authorizing disposition of obsolete property and removal of items from inventory.

MISSION VALLEY REGIONAL OCCUPATIONAL PROGRAM
BOARD OF EDUCATION

AGENDA ITEM
B&F #5

DATE OF BOARD MEETING: November 15, 2010

TITLE: Approve Change Order #1 for Enviroplex

Background:
Mission Valley ROP received grant approval for facilities projects funded by Proposition 1D Career Technical Education Facilities Program (CTEFP). The grants were approved for the new construction of Fire Science/EMT program facilities (Buildings 5, 9A and 9C) and modernization of the Auto Technology Program facilities (Buildings 2, 2B and 3). On June 20, 2007, MVROP Governing Council approved the use of reserves to match funds approved for the projects. Mission Valley ROP is required to match 50% of the total approved project costs of $1,830,000 for new construction and $988,876 for modernization. MVROP's match is $915,000 for new construction and $494,438 for modernization.

In February 2010 a construction contract was awarded to Enviroplex for $638,672 for the New Construction of modular building 5.

Current Status:
The CTEFP projects are currently under construction with completion scheduled for mid-September 2010. Due to unforeseen site conditions and architect errors and omissions, changes in the scope of work under the Enviroplex construction contract were necessary in order to continue with the project. The cost of the change order to the original contract is an additional $39,081. The additional cost will be funded by the CTEFP grant and Capital Outlay reserves. The contract amount including all change orders to date is $677,753

Recommendation:
Staff recommends approval of Change Order #1 for Enviroplex for the amount of $39,081, DSA #110337, Proposition 1D Career Technical Education Facilities Program, New Construction of Fire Science/EMT Program.

MISSION VALLEY REGIONAL OCCUPATIONAL PROGRAM
BOARD OF EDUCATION

AGENDA ITEM
B&F #6

DATE OF BOARD MEETING: November 15, 2010

TITLE: Approve Change Order #4 for AJF/BHM A Joint Venture

Background:
Mission Valley ROP received grant approval for facilities projects funded by Proposition 1D Career Technical Education Facilities Program (CTEFP). The grants were approved for the new construction of Fire Science/EMT program facilities (Buildings 5, 9A and 9C) and modernization of the Auto Technology Program facilities (Buildings 2, 2B and 3). On June 20, 2007, MVROP Governing Council approved the use of reserves to match funds approved for the projects. Mission Valley ROP is required to match 50% of the total approved project costs of $1,830,000 for new construction and $988,876 for modernization. MVROP's match is $915,000 for new construction and $494,438 for modernization.

In February 2010 a construction contract was awarded to AJFB/BHM A Joint Venture for $1,479,780 for New Construction and Site Work for buildings 5, 9A and 9C and Modernization of buildings 2, 2B and 3. The contract also includes painting, electrical and low voltage connections in buildings 1, 2A and 6 which will be funded by Capital Outlay reserves. Change orders 1-3 for the amount of $140,756 have been previously approved by the Governing Council.

Current Status:
The CTEFP projects are currently under construction with completion scheduled for mid-September 2010. Due to unforeseen site conditions and architect errors and omissions, changes in the scope of work under the AJF/BHM construction contract were necessary in order to continue with the project. Changes in scope include siding repairs at buildings 2B and 3 and classroom finishes at building 2. The cost of the change order to the original contract is an additional $58,803. The additional cost will be funded by the CTEFP grant and Capital Outlay reserves. The contract amount including all change orders to date is $1,679,339.

Recommendation:
Staff recommends approval of Change Order #4 for the amount of $58,803 for AJF/BHM A Joint Venture, DSA #110260, Proposition 1D Career Technical Education Facilities Program, New Construction of Fire Science/EMT Program and Modernization of Auto Tech facilities.

DATE OF BOARD MEETING: November 15, 2010

TITLE: Resolution #8-1011 Intra-Budget Transfer from Fund Balance/Reserves to 2010-11 Operating Budget for Proposition 1D Career Technical Education Facilities Program

---

Background:
On June 20, 2007, MVROP Governing Council approved the use of reserves to match funds for Round 1 of the Proposition 1D Career Technical Education Facilities Program (CTEFP) for the Fire Science and Auto Tech/Auto Body Programs. Mission Valley ROP is required to match 50% of the total approved project costs of $1,830,000 for new construction of buildings 5, 9A and 9C and $988,876 for modernization of buildings 2, 2B and 3. MVROP's match is $915,000 for new construction and $494,438 for modernization for a total of $1,409,438. To date, $1,044,032 of the matching funds have been spent, leaving a balance of $365,406.

On April 23, 2008, MVROP Governing Council approved the use of reserves to match funds for Round 2 of the Proposition 1D Career Technical Education Facilities Program (CTEFP). Mission Valley ROP is required to match 50% of the total approved project costs of $1,395,000 for the new construction of building (K)4 for Fashion Merchandising/Interior Design. MVROP's match is $697,500. To date, $60,845 of the matching funds have been spent, leaving a balance of $636,655.

Current Status:
Mission Valley ROP is transferring from the Fund Balance/Reserves $596,423 for 2010-11 actual expenditures for new construction and modernization projects funded by Proposition 1D Career Technical Education Facilities Program. Of this amount, $365,406 is from Round 1 designated matching funds, $24,336 is from designated Round 2 matching funds and $206,681 is from designated Prop 1D project contingency reserves.

Recommendation:
Staff recommends approval of Resolution #8-1011 to transfer from MVROP's fund balance/reserves to the 2010-11 operating budget to pay current expenditures related to the Proposition 1D Career Technical Education Facilities Program.

Date of Board Meeting: **November 15, 2010**

TITLE: **Second Reading of New Board Policy BP 6153**
Mission Valley ROP Field Trip Policy

Background:

Mission Valley ROP has historically adhered to the most restrictive portions of each of the partnering school districts field trip policies to satisfy accountability and liability requirements for all students.

Mission Valley ROP will formally adopt a statement that acknowledges adherence to the most restrictive portions of the field trip policies of each of the partnering school districts as a matter of policy for Mission Valley ROP.

Referencing adherence to the strictest requirements of our partnering school districts, a first draft was developed of BP 6153, Mission Valley ROP Field Trip Policy.

Current Status:

The 1st reading of BP 6153, Mission Valley ROP Field Trip Policy, was approved at the October 21, 2010 Governing Council meeting.

Recommendation:

Review 2nd reading of Board Policy BP 6153.

BOARD OF EDUCATION

AGENDA ITEM

Business and Finance #1

Date of Board Meeting: **November 15, 2010**

TITLE: **Review Budget Modification Plan**

Background:

The budget act in February 2009 included two budget years (2008-09 and 2009-10). MVROP received a 15.4% midyear cut to 2008-09 revenues and an additional 4.5% cut to 2009-10 revenues. The cost of living adjustment was not funded in either year (a loss of 5.66% for 2008-09 and another 4.25% for 2009-10), and due to declining enrollment statewide, ROCPs had a negative adjustment of .63% in 2008-09. In addition to these tremendous cuts, ROCPs became part of the flexibility provisions in categorical program funding.

Superintendent's Council and MVROP Budget Committee have been working with Board, staff, and community members to identify potential budget modifications to address the loss in funding from the State of California. The State budget situation is continually changing due to increasing state budget deficits and uncertain tax receipts.

For 2010-11 the Governor proposed a negative .38% COLA for Tier 3 categorical programs including Regional Occupational Centers and Programs.

Current Status:

The State of California has elected a new Governor, Jerry Brown. The new administration will be presenting the proposed 2011-12 budget in January 2011. The impact to education is unknown at this time.

Recommendation:

None.
