John Caffee-yes, Robin McMurtrey-yes, Daniel Glass-yes

3) Superintendent and Directors Reports

Superintendent Josh Hurt

- We appreciate all of the applicants for the District 1 board seat vacancy. It's great to have community members who want to serve the students of Metcalfe County. We are happy to have Mr. Jolly joining the board and look forward to working with him.
- KSA (Kentucky Summative Assessment) test scores have been released, and packets have been distributed to the board members. MCES has been labeled as a TSI-disability school. Superintendent Hurt believes the label is not justified and is unfair, and he plans to appeal the decision to the Commissioner of Education.

- The ESSER-funded projects are now complete. The art room and new multi-purpose building are now in use. Other ESSER-funded projects include seven new school buses, a new high school roof, RTI teachers, mental health counselors, and much-needed cleaning supplies. Thanks to the board for making all of these projects possible.
- Action item 5B will put our new absences and excuses policy into place, which will align with the latest state law.
- Action item 5D will allow us to accept \$14,240 from Kentucky Technology Education Systems. If approved, these funds have to be matched by the district.
- School Bus Safety Week is next week, and School Lunch Week is this week. We have special recognitions planned for both.

Jenny Stotts - MCMS

- MCMS 4-H students competed in a forestry event on Sept. 18 at Green River State Park against Adair County. Metcalfe won the event by a large margin. All members of the 4-H group received a Blue, Red, or White ribbon based on their overall scoring. Overall winners were:
 - ✓ 1st Place - Macie Strode
 - ✓ 2nd Place - Becka Compton
 - ✓ 3rd Place - Owen Blythe
- On Sept. 30, MCMS celebrated The Outsiders and had a sock hop in the lunchroom. Students had to choose to be Greasers or Socials. Everyone was invited to dress up in 50's-60's outfits.
- MCMS celebrated National Custodians Day on Oct. 2. Mrs. Barbie Rhinehart, Mr. Jerrod Rhinehart, and Mr. Mike Kotelnicki do an amazing job keeping the school clean and fresh.
- MCMS is looking forward to Fall Formal on Friday night. It is from 6:00 until 8:00.
- Regarding KSA scores, MCMS had quite some gain from year 2022. Admin and teachers will continue to work on reading and math with targeted interventions.

Joseph Eaton – MCHS

- College Application and College & Career Day at MCHS were successful, with several Seniors applying to colleges. The entire school had an opportunity to network with businesses and colleges at the fair.
- Homecoming Week and the festivities on Homecoming Day were great, and students enjoyed the dress-up days, pep rally, and parade. A Hornet victory would have made it even better.
- The Beta Club held its induction ceremony on September 25 with several new members joining.
- Volleyball sophomores Amelia Slinker and Mollie Devore surpassed 500 career digs recently. Amelia now holds the record for career digs, and Mollie holds the record for career kills. Sophomore Ellie Landrum is now the career aces leader, serving points, and surpassed 500 assists.
- Ben Shirley and Noah Emmitt both competed at the State Golf Tournament on October 2. They represented Metcalfe County well. Ben Shirley recently received the Leachman Buick/GMC/Cadillac Golf Scholarship.
- On October 1, MCHS held a Senior Parent Meeting to discuss the school year and important dates. The staff was extremely pleased with the turnout of students and parents.
- FCA recently held its Fields of Faith event with a large turnout. It was great seeing students actively participating and orchestrating the event.
- Seniors interested in taking the ACT at a discounted rate are taking it tomorrow, and sophomores and freshmen who want to take it on Wednesday. This is a great opportunity for students to take the ACT at a cheaper cost.
- The marching band recently competed in the George Rogers Clark Invitational and received second place in the Class A Preliminary Competition. We're proud of the band and the hard work the students, parents, and Ms. Riggins put into the program.
- The HOSA club will host a blood drive on October 31 with the Kentucky Blood Center.
- For the second year in a row, MCHS has increased its overall score on the KSA. While some areas need improvement, the post-secondary readiness numbers increased by 33.5 points from last year. This has been a focus at MCHS; students and staff have worked hard to achieve the goal. There is still progress to be made.

- MCHS is working on plans to help address areas of need based on individual student data during our Hornet Time. Teachers will utilize individual KSA data and ACT practice data to help inform students about the areas in which they need the most attention. Teachers are also utilizing mastery assessments in class to monitor student performance and discuss during guided planning.

Jamie Moss – Exceptional Ed

- No comments.

Rachel Dial – Instruction

- Regarding KSA scores, MCES has made progress in reading and math. MCHS has worked hard to improve its post-secondary readiness scores by helping ATC students attain certifications. MCMS had a big gain last year and is still above what it scored three years ago. We are already talking with teachers at all three schools on how to close any gaps in scores.

Matt Shirley – Facilities

- The board is welcome to tour the new art room and multi-purpose building now that they are complete. A new hornet sign will be delivered in a couple of weeks.
- The first coat of blacktop should go down the new tennis courts in the next week.
- Crews will start building the new retaining wall at the baseball field next week. Footers have been poured. There was a re-grade underway that delayed dozer work. It should start soon.
- The turf on the new football field should begin on Wednesday. It will be a several-week process.
- Blacktop has been patched at the high school. Some HVAC issues were fixed over Fall Break.

Allen Trotter – DPP

- Attendance from the first day of school until the Friday before Fall Break in the elementary and middle schools averaged 94-95%. The high school averaged 92%. We are pleased with those numbers because attendance has been a struggle nationwide. It was a big topic at a recent DPP conference.

Torrie Osbon – PR

- Notes from MCES Principal Michael Gill:
 - Mr. Gill wanted to thank everyone for their prayers and concerns for the loss of his grandfather, James Carl Gill. He was 97 years old.
 - Attendance has been pretty good at MCES for the first few weeks of the school year. It's currently around 95%.
 - Teachers will begin scheduling one-on-one conferences with parents in the next few weeks.
 - The annual hayride to the corn maze will take place this Friday. It's always a fun and excellent learning opportunity for the entire student body.
 - The MCES PTO Halloween Dance is on Friday, Oct. 25.
 - The MCES PTO Fall Festival is on Saturday, Nov. 2.
 - The Veteran's Day Program will be held on Nov. 11 at MCES at 9am and MCHS at 9:45am.
- Notes from Torrie:
 - The middle school 21st Century grant is up for continuation this year. It is a competitive grant process, and we must submit a new application. Information about the grant is available on our website. We will be sending out needs assessment surveys soon.
 - KSA scores have been updated with the new results on our website, as KDE requires.
