KSDF Mission

The Kirkwood School District Foundation (KSDF) was established in 1989. We are a group of parents, alumni and friends working to build a stronger community by raising private funds to enrich the educational experiences for all students in the Kirkwood School District.

Pay It Forward History

The Pay It Forward program was established in 2013 and has earned over \$57,000 in eight years averaging approximately \$7,000 annually based on contributions from around 40 employees. We hope to engage a larger percentage of KSD employees to make a bigger impact!

Contribution Benefits

Your contributions help KSDF make annual grants back to Kirkwood schools and support districtwide unified events and student programs.
