### **Inclement Weather Protocols**

It seems odd to be talking about inclement weather protocols when we are about to have a 75 degree Halloween, but you never know. Please see below for the schedule adjustments that the district may use during times of inclement weather. Note that regardless of the district's schedule change, please do what is in the best interest of your family and your family's circumstances when making decisions on these types of days.

### **Respect Parties**

Thanks to all students and staff who made the Respect Parties awesome experiences for everyone!

### **Thanks PTOs !!**

Many thanks to our incredible PTOs at both MEM and MAS. Just this past week they coordinated two huge events for the benefit of our district. The MAS Tricky Tray and the MEM Trunk O'Treat were two events that took an inordinate amount of time to plan and coordinate and we thank the officers and the many parent volunteers who made both possible.
