 **Happy World Kindness Day!** The leadership class hopes that you enjoy your little treat and special CMS message to help you remember to do something kind for someone today. First period teachers, please be sure to pass out the kindness treats that were in your boxes this morning. World Kindness Day, established in 1998, is a holiday that promotes the importance of being kind to each other, to yourself, and to the world. On World Kindness Day, people are encouraged to go out of their way to be kind to others, whether that be at home, school, or just out in public. It also serves as a reminder that simple acts of kindness have power, and that together, we can all work to create a kinder world. You may wonder how compassion from one person can make a difference. Believe it or not, every act of kindness, even the smallest one, creates a ripple effect. The World Kindness Movement and World Kindness Day are meant to inspire you to believe that we can make a global difference one act at a time. As you walk around campus today, be sure to stop and read all of the positive messages that the leadership students have left for you. We hope you have a wonderful Wednesday!

 **Yesterday's GeoBee Tiebreaker round was faster than a sprinting cheetah!** The 8th graders bravely faced a single question, and just like that, **Fiona Malone** takes the final seat for 8th grade. The 7th grade faced two questions and the 3 students that moved on are **Ellie Blum, Oceana DeMars, and Parker Roxas**. Congrats to all 9 finalists who will be participating in an epic showdown in the Final Competition Tomorrow at lunch in the library!! Spectators are welcome! Also, a reminder to all geo bee participants - those that participated in the prelims and finals are invited to a private pizza party in the library this Friday!

 **Attention all 8th grade students!** Please go DIRECTLY to the Library today for a special presentation during your PE class period. You do not need to go to the gym first.

 **In the 6th Grade Wiffleball Tournament of Donuts yesterday,** it was all **Flamingos** as they took on the **Silva Snakes** in game 2 of the NLCS at Wiffler's Park.. Thanks to a few extra practices, it appears the Flamingos are back to their usual selves as they put up 13 runs in their victory, including a grand slam by Cullen Voss. Come out today and watch the **Littletown Lysol** face off against the **Nakalaca Alpacas** to determine who will advance to the World Series.

 **In CMS Chess News: It's official!!!** After weeks and weeks of grueling mental work, **Zach Gardner is the 25th anniversary CMS Chess Tournament winner.** Jason Chan was the contender in the final with a runner-up placing. Both Jason and Zach defeated at least 6 other players to make it to the "best out of 3" final. Zach wrapped up the last game with a very fitting criss-cross of bishop, knight, and rook checkmate. Congratulations to Zach on his victory!! AND...! Don't forget C6 is open every day not just chess, but also other board games, card games, and fun!
