

Kimberly Hart

Kimberly Hart has been a Staff Developer/Shared Data Expert with Eastern Suffolk BOCES (ESBOCES) since 2018. In this role, Kim works one-on-one with district leadership in various educational settings, supports teacher professional development, and provides regional training. She analyzes data and provides meaningful data conversations with district administrators and staff. She works with the ESBOCES Suffolk Title III Consortium, providing English Language Learner (ELL) data to the ENL teachers and administrators. Kim is a New York State Certified Teacher (Pre-K, Grade 1-6). Prior to her employment with ESBOCES, Kim has extensive years of experience in the management and supervision of employees and support staff for a non-profit early childhood/family service organization. She has also used her strong analytical writing and research skills in the development and writing of grants. In addition to her current role as a Shared Data Expert/Staff Developer, Kim is an Adult Literacy Teacher for Eastern Suffolk BOCES.
