

# Discovery Club

Discovery Club (DC) is a social and recreational childcare program that is certified and regulated by the Minnesota Department of Human Services to meet requirements for accepting county childcare assistance funds. DC is a non-profit program funded by parent fees, with an annual operating budget around \$5M.

## TESTIMONIALS

### What are families saying about Discovery Club?

“We love the staff and all the help we get through Discovery Club. My child has attended several sites and always finds fantastic adults that help drive good positive peer interaction. She enjoys her time doing new and different projects.”

“We were surprised by how much thought, care, professionalism and intentionality went into making it an enriching learning environment. My only-child, active daughter gets her social and physical activities met through DC!”

“At DC my daughter feels that she has a voice and that someone is actively listening to her.”
