SCHOOL DAY

The Governing Board shall fix the length of the school day subject to the provisions of law. (Education Code 46100)

At each school, the length of the school day shall be the same for all students, except as otherwise permitted by law. For any student with a disability, the length of the school day shall be as specified in the student's individualized education program or Section 504 plan.

Unless there is a field trip or other educational program, the daily schedule for grades K-6 shall include at least one period of recess of at least 30 minutes on regular instruction days and 15 minutes on early release days. During this time, students shall be provided supervised opportunities outdoors when weather and air quality permit unless space is not sufficient in which case recess may be held indoors, to engage in unstructured physical activity, play, organized games, and/or social engagement with peers, and may be provided a snack. (Education Code 49056)

Educational Program means the entire school-sponsored offering for students, including in-class and out-of-class activities. (Education Code 49056)
