This Week's News

February 12, 2021

### Message From the Principal

It seems like we just returned from winter break, yet we've already arrived at President's Day weekend, and another break for our students. Our full weekend for students extends from Friday, February 12 through Tuesday, February 16 to accommodate a teacher work day, federal holiday, and district furlough day for all certified staff. Students return to school on Wednesday, February 17. We hope you enjoy a relaxing time with family! We look forward to students returning next week!

This week brought great excitement for many of us at school as vaccinations for school-based personnel became widely available. Many staff members are getting their vaccinations in the next few days, and we're setting priorities to accommodate teachers as they finish their second dose closer to spring break! It feels like we're beginning to inch forward toward a more typical school experience. We're still holding on to a glimmer of hope to return fully in person before the end of the year. We're guarded, though, in our optimism, as a lot of things need to fall into place before this could happen.

Our PTCO will launch our annual WOLF DRIVE beginning March 1. This is one of our largest fundraising activities of the year. Please consider participating however you can! This issue of Wolf Tracks also includes information on the rapidly approaching Spelling Bee. We're also excited to announce Cherry Creek Reads Week early in March, along with our PTCO's Wellness Committee's focus on healthy sleep habits for all students. We also encourage you to attend the CCSD Foundation's VIRTUAL GALA on March 11 and participate as you can. The student performances are always highlights for this event.

Even though we're celebrating the coming of vaccines for school personnel, we still maintain a focus on the basics of safety. Please enjoy a healthy and safe extended weekend! As always, be safe - be well!

Principal Strohfus

### Celebrating Black History Month

We continue to celebrate Black History Month. Established in 1976, Black History Month highlights the societal contributions of African-American individuals and communities, alike. The month also reminds us of our ongoing mission to lift up and bring forward voices and stories of people of color as vital members of our larger community.

As we honor Black History Month, many of our teachers have plans to spotlight the important work of Black Americans in molding and shaping the world we live in today. In CCSD we work to promote inclusive excellence for every student and strive to support one another as we grow our capacity to provide equitable opportunities for all students. As we support each other in our work, we acknowledge that our work is far from finished. We will continue to work to honor the accomplishments of leaders of color, not only during spotlight months, but throughout the year. While most of these stories are not our own, we take great pride in promoting the ideals of equity, acceptance, and collaboration in our work with students.

### News from the Clinic

To help decrease the spread of COVID-19, we continue to ask that you and your student/s practice good hand washing habits, appropriate distancing, wearing a mask that covers both the nose and mouth and not sending students to school if they are sick.

You can also help us continue to decrease the spread by signing up your grade K-5 student for the *voluntary* randomized saliva testing here at our school. The link to sign your student up is here: <a href="https://www.primarybio.com/l/cherry">https://www.primarybio.com/l/cherry</a>

### PTCO Reserved Parking Spots

As part of our fundraising efforts to support our Teaching Assistants, whose actions benefit ALL students, the PTCO sells reserved parking spots in the main and circle parking lot. We have had numerous reports of people using these spots when they have not paid for them. The PTCO Board would like to request that we all be respectful and not park in one of these reserved spots. These spots are clearly labelled with the name of the family that purchased them. If you would like to have your own reserved spot, there is one currently unsold in the main lot - contact the Board at PTCOChallenge@gmail.com for details. In addition, the launch of the Wolf Drive on March 1 will provide opportunities for families to purchase these spots for the 21-22 school year. If you have any questions about these parking spots, please contact the PTCO Board at PTCOChallenge@gmail.com

### No Cost Fundraising

Please remember to help us raise money through the no-cost fundraisers, especially AmazonSmile and King Soopers. Visit the PTCO's website for more information regarding the programs.
