Student Class Assignment

All student class assignments are now available by logging in to your students' PowerSchool account. Directions on how to access this information can be found [here](#).

Middle School - Please Note:

PowerSchool may look as if your student should attend two days next week, but this is NOT the case. They will only attend their assigned Cohort day on Monday **OR** Tuesday. Students will find out further details about schedules on their Phase-In Day. The most important item to note now is the 1st period class assignment. They will go straight to their 1st period class on Monday **OR** Tuesday.

School Supplies

Please bring your school supplies on your Phase-In Day the week of August 17th. If you ordered an Edukit, it will be in your student's classroom.

Soap Donations

As students wash their hands multiple times per day at Challenge, we do go through a lot of soap. If you could bring in a few extra bottles of hand soap, it would be greatly appreciated!

News from the Cafeteria

Welcome back! We are using a new and more efficient system this year, Titan Family Connect. You may download the app and select, "Family Portal" to set up an account. You will be able to look at the daily menus, add money to your child's account, set spending limits and purchase restrictions to name a few. If you prefer to send money with your student, lunch money will be collected as the students enter the building. If sending cash with your student, seal it in an envelope or ziplock bag clearly marked with the student's first and last name. Checks do not need to be in an envelope, but please write the student's name in the

memo section. You may use one check for multiple students. Unless otherwise noted, the money will be divided evenly between each student. Menus can be accessed at <https://family.titank12.com/> without setting up an account. If you have questions, please call Challenge Kitchen at 720.747.2140 or email the Kitchen Manager at scollins@cherrycreekschools.org.
