Interested? Please contact Rhonda Clark at rclark21@cherrycreekschools.org

Mentors and Volunteers

There are times during project-based learning, science fair, shadowing, etc. that our students could use mentors/ volunteers in specific career fields. To help us find these mentors/volunteers more easily, we are asking parents/guardians to fill out the survey at the link below. There are some volunteer areas listed at the bottom that don't require specific career fields, too. We want to have an updated list, so please fill out the survey again even if you filled it out last year.
