WHAT IS THE TREP PROGRAM?

The **T**eacher **R**ecruitment **E**ducation and **P**reparation (**TREP**) program exists to create opportunities for qualified students, in an **educator career pathway**, to enroll in postsecondary courses for up to two years after the 12th grade year. Students might be interested in teaching, counseling, special education or other education related fields.

Students accepted into the TREP program will have tuition, fees and books paid for two years at participating community colleges/universities as identified by CCSD for courses in the educator career pathway. Students take all of their coursework at the college.

Students accepted into the TREP program remain a CCSD student, as a senior, for two additional academic years. Students will receive their high school diploma upon completion of the TREP program with the graduation date of the year they exit TREP. They graduate "socially" (walk in graduation ceremony with their original graduating class). The State of Colorado caps the number of TREP students each year; those decisions are made in late May/early June each year.

Part time (3-11 credit hours) and full time (12-16 credit hour) options are available.

A STUDENT IS ELIGIBLE FOR TREP IF THE STUDENT:

- Has taken one applicable concurrent enrollment course during senior year and earned college credit. Plans to pursue postsecondary studies in the field of education. (See QR code below for a list of courses.)**
- Is college ready, and not in need of developmental education coursework in accordance with the education career pathway in which they enroll.
- Completes an Individual Career and Academic Plan (ICAP) prior to declaring intent to participate in TREP.

- Applies for FAFSA/CASFA (application opens Dec. 1)
- Is entering the TREP program in the year immediately following the student's 4th year of high school.
- Upon entry to the TREP program, has not been designated a TREP program participant in any prior year (can only participate in TREP for 2 academic years).
- Is in good academic standing (minimum Grade Point Average of 2.0 in postsecondary coursework) and remains enrolled in an applicable educator pathway in order to participate in year 2 of the TREP program.
