Ceramic history, aesthetics, and art criticism will be incorporated throughout the course
<b>Ceramics 2</b>	50.0412001	S	9-12	Ceramics 1	In-depth work with clay beyond that of Ceramics 1. Students will further technical ability in hand building, surface decoration, and/or wheel-thrown ceramics. Glaze chemistry will be addressed with an emphasis on how a glaze works and how to alter results. Alternative firing techniques will introduce students to various surface effects and firing atmospheres. Students will work in a more conceptual manner to develop their own ideas, style and artistic voice. Students will continue to investigate ceramics from around the world and throughout time.
<b>Graphics Design 1</b>	50.0721001	S	9-12	Intro to Art	Introduces graphic design as seen in posters, advertisements, logos, illustrations, signs, and package or product designs. Covers selected graphic design elements, vocabulary and the media, tools, equipment, techniques, processes and styles used for graphics. Investigates the historical development of graphics design and its function in contemporary society. Stresses using the computer as a major design tool; explores career opportunities. Students are introduced to and achieve several projects through the use of Adobe Creative Suite, specifically Illustrator. .

Course	Course Number	Term	Grade (s)	Prerequisite (s)	Course Description
Graphics Design 2	50.0722001	S	9-12	Graphics Design 1	Expands on students' software knowledge and design principles from Graphic Design 1 to learn additional Creative Suite Software and apply this knowledge into real-world based projects. This course begins with a deepening understanding of design movements and grid theory through presentation-based research, and an introduction to the industry-standard design software, InDesign CS. Students then use their skills to achieve projects in Editorial Design, Media Packaging Design, Social Awareness Media Campaigns, and Digital Illustration, as well as final exit portfolios.
Drawing 1	50.0311001	S	9-12	Intro to Art	Instructs students in fundamental drawing skills and prepares them to make the transition to alternative and dynamic approaches in mark-making. Course work builds on drawing skills introduced in Introduction to Art. Drawing approaches include contour, value to model form, gesture, perspective and color; students work with drawing media such as pencil, charcoal, conte, oil pastels. Art history, criticism and aesthetics are incorporated with studio production of drawings and paintings.
Drawing 2	50.0312001	S	9-12	Drawing 1	Continues to strengthen composition and drawing skills. The course includes studies in color sensitivity and a wide range of media and techniques. Drawing 2 builds on skills learned in Drawing 1. It differs in that the artworks produced are theme based with a more conceptual approach. Students have more freedom to choose subject matter of the work which will challenge student creativity.
Painting 1	50.0321001	S	9-12	Intro to Art	Establishes fundamental acrylic painting skills and strengthen composition and drawing skills. The course includes studies in color sensitivity and a wide range of water-based media and techniques. This is a course designed to introduce foundational painting concepts and techniques new to the student to prepare them for other 2-D courses that rely on drawing and painting skills.

Course	Course Number	Term	Grade (s)	Prerequisite (s)	Course Description
Painting 2	50.0322001	S	9-12	Painting 1	Painting 2 students expand on painting skills and learn watercolor and oil media. They also begin working on creating a unique artistic style and developing a portfolio. Students are free to generate ideas as subject matter for their artwork and use the skills learned in previous painting courses to inform their aesthetic decision making.
Photography 1	50.0711001	S	9-12	Intro to Art	An introduction to black and white photography and darkroom processing. Students will construct their own pinhole camera and create a photographic portfolio as they learn the technical and artistic aspects of photography. A brief introduction to digital photography will be included. Photo history, critiques of photos, aesthetics and design will be addressed throughout the semester.
Photography 2	50.0712001	S	9-12	Photo 1	Builds on basic skills and darkroom techniques learned in Photography 1. Students hone skills in communicating meaning through photography. They learn to use a 35mm camera, develop and print images from black and white film and refine darkroom and printing techniques. The course incorporates aesthetics, art criticism, art history and a brief introduction to digital photography.
Sculpture 1	50.0611001	S	9-12	Intro to Art	Sculpture 1 introduces students to the production of three-dimensional art making including additive and subtractive techniques. Sculpture's influence on the environment will be examined, as well as the investigation into a variety of media. Students are expected to make connections as they explore meaning, develop creative thinking skills, search for contextual understanding resulting in authentic assessment and reflection.
Sculpture 2	50.0612001	S	9-12	Sculpture 2	Offers in-depth study of the production of three-dimensional art making including additive, subtractive, casting and modeling processes while investigating environment through a variety of media. Students are expected to make connections as they explore meaning, develop creative thinking skills, search for contextual understanding resulting in authentic assessment and reflection.

Printmaking 1	50.0511001	S	9-12	Intro to Art	An introduction to printmaking using screen printing, linoleum relief, and etching. A variety of media and tools are explored. Students learn design processes to create visual works of art in printed form. Instead of using a digital printer, students become the printer. The elements of art and principles of design are used to analyze, design, create, and evaluate prints. The course combines aesthetics, art criticism, and art history with production of print series.
Printmaking 2	50.0512001 fall	S	9-12	Printmaking 1	Continues building the student knowledge of the image-making process. Students develop understanding of monotype, collagraph, advanced relief, and alternative processes to add to their portfolios.
AP Art Drawing	50.0811001- fall 50.0811002 spring	Y	11-12	Portfolio Review and Teacher Rec	This course is highly individualized to student voice. Each student must participate in a portfolio review with Mrs. Hudson prior to placement. It is recommended that a student has taken at least a year of visual arts classes at Cambridge, but some students are eligible without prerequisite coursework due to strength of personal portfolio. There is no required media to be successful in the course, but students will make college-level artworks based on personal investigation of concepts. The portfolio created in this year results in a culminating portfolio submission for AP exam scoring.
AP 2D Design	50.0813001 fall 50.0813002 spring				
AP 3D Design	50.0814001 fall 50.0814002 spring				
AP Art History	50.0921001 fall 50.0921002 spring	Y	10-12	Teacher Rec	Students "discover the diversity in and connections among forms artistic expression throughout history and from around the globe. Students learn about how people have responded to and communicated their experiences through art making by exploring art in its historic and cultural contexts." From College Board AP Art History Course Description.
